Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information.

Canada's top consumer advocate returns with more financial advice. Canadian consumers are focused on spending and managing what money they do have wisely, but have more questions than answers on most financial topics. Television personality and consumer advocate Pat Foran shares tips and strategies about the questions and issues he sees most often, and explains how some little things can soon add up to a lot of money. Some of the topics covered include: Credit and loyalty cards, and what kind of deal they really are How much insurance is enough - and what kinds do most people need? How to shop for a vehicle, and if it's worth it to import from the US Mortgages, tax breaks, and other complicated financial decisions Getting the most bang for your buck, whether while shopping or travelling Packed with money-saving advice, this title will also include the latest information on marketplace trends, the investment climate, housing prices, interest rates, and other techniques for savings. As an added bonus, Pat has included quotes and comments from prominent Canadian businesspeople and celebrities about the best financial advice they've received in their lifetimes. Pat Foran is seen by millions of Canadians each week as the Consumer Reporter for CFTO News, and Consumer Expert on CTV's Canada AM. His "Consumer Alert" segment is currently on CFTO's noon, six o'clock and eleven-thirty newscasts, five days a week with an audience of 700,000 viewers, and he appears on Canada AM, Canada's number-one national morning show every week, dispensing financial and consumer advice.

Canada's automotive "Dr. Phil" says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar, a worldwide recession driving prices downward, and a more competitive Japanese auto industry that's still reeling from a series of natural disasters.
