In Part One of A SLOW TRAIN TO BUDAPEST, we learned about a remarkable, almost implausible coincidence. Miriam, an impregnated teenager from the Breitendorf shtetl got on the wrong train and seemed hopelessly lost, yet she miraculously found her way to the door of her brother's mother-in-law, who graciously invited her to stay until she had safely delivered.

Nandor Pekar escaped communist Hungary in 1956. Trained by his father to survive in SAS type fashion for years in the heart of the Zemplen Mountains; when the moment of impact arrived in 1956, Nandor ensured the Russians were faced with a well-organised, fearless populace, which improvised with amazing bravery. This is a story of revenge, patriotism, romance and violence, encompassing an emotional thrilling tidal wave with an unexpected grand finale. Following the bloody battle for freedom, moseying amongst the depression of Budapest's merciless bludgeoned core, Nandor realises there is only one chance to be free. To escape Hungary! It would be his last chance to beat the Russians, and deny them of their intentions to keep him prisoner in his own country.

****Washington Post Best Books of 2013**** The celebrated TRANSYLVANIAN TRILOGY by Count Miklós Bánffy is a stunning historical epic set in the lost world of the Hungarian aristocracy just before World War I. Written in the 1930s and first discovered by the English-speaking world after the fall of communism in Hungary, Bánffy's novels were translated in the late 1990s to critical acclaim and appear here for the first time in hardcover. They Were Found Wanting and They Were Divided, the second and third novels in the trilogy, continue the story of the two aristocratic cousins introduced in They Were Counted as they navigate a dissolute society teetering on the brink of catastrophe. Count Balint Abády, a liberal politician who defends his homeland's downtrodden Romanian peasants, loses his beautiful lover, Adrienne, who is married to a sinister and dangerously insane man, while his cousin László loses himself in reckless and self-destructive addictions. Meanwhile, no one seems to notice the gathering clouds that are threatening the Austro-Hungarian Empire and that will soon lead to the brutal dismemberment of their country. Set amid magnificent scenery of wild forests, snowcapped mountains, and ancient castles, THE TRANSYLVANIAN TRILOGY combines a Proustian nostalgia for a lost world, insight into a collapsing empire reminiscent of the work of Joseph Roth, and the drama and epic sweep of Tolstoy.

Formerly titled Traveling Europe's Trains, this is a superb guidebook to getting around Europe and Britain from Manchester to Moscow by high-speed, and scenic train, ferry, and Europabus.

"New Directions paperback original (NDP 1194)"--T.p. verso.

Are the recent developments in Europe bringing countries together or pulling them apart? The leading experts in this book (including Sheila Allen, Marlis Buchmann, Piotr Sztompka, and Patrick Ziltener) cover a wide range of subjects, including the move towards political democracy and market economy in Central and Eastern societies, the project of the European Union, ethnic conflict, the rise of nationalism, social exclusion and women's role in public life.

"The Secret Witness" by George Gibbs. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Ukraine is something of an enigma for the visitor. The largest country in Europe, it remains one of the least visited, yet it has retained the rustic beauty of old-world eastern Europe, and its place names are heavy with historical significance: Kiev, Crimea, Sevastopol, Odessa, Chernobyl. This fully updated third edition of Bradt's Ukraine guide keeps visitors up to speed with this rapidly evolving country. Covering everything from the best places for borsch to the best walks along the Black Sea - alongside an in-depth exploration of Ukraine's history, culture and natural beauty - this is the most comprehensive and practical guide available to a destination as yet undiscovered by the tourist crowds.

Wes Anderson on Stefan Zweig: "I had never heard of Zweig...when I just more or less by chance bought a copy of Beware of Pity. I loved this first book. I also read the The Post-Office Girl. The Grand Budapest Hotel has elements that were sort of stolen from both these books. Two characters in our story are vaguely meant to represent Zweig himself -- our "Author" character, played by Tom Wilkinson, and the theoretically fictionalised version of himself, played by Jude Law. But, in fact, M. Gustave, the main character who is played by Ralph Fiennes, is modelled significantly on Zweig as well." "Stefan Zweig was a dark and unorthodox artist; it's good to have him back."--Salman Rushdie The great Austrian writer Stefan Zweig was a master anatomist of the deceitful heart, and Beware of Pity, the only novel he published during his lifetime, uncovers the seed of selfishness within even the finest of feelings. Hofmiller, an Austro-Hungarian cavalry officer stationed at the edge of the empire, is invited to a party at the home of a rich local landowner, a world away from the dreary routine of the barracks. The surroundings are glamorous, wine flows freely, and the exhilarated young Hofmiller asks his host's lovely daughter for a dance, only to discover that sickness has left her painfully crippled. It is a minor blunder that will destroy his life, as pity and guilt gradually implicate him in a well-meaning but tragically wrongheaded plot to restore the unhappy invalid to health.
