Anthony has two dollars and three quarters and one dime and seven nickels and eighteen pennies. Nicholas has one dollar and two quarters and five dimes and five nickels and thirteen pennies. Alexander has...bus tokens. And even when he's rich, pretty soon all he has is bus tokens. He was rich. Last Sunday. Grandma Betty and Grandpa Louie came and gave Anthony and Nicholas and Alexander each a dollar. Alexander was saving his. Maybe for a walkie-talkie. And then there was bubble gum, some bets with Anthony and Nicholas (that Alexander lost), a snake rental, a garage sale, and all kinds of other things to spend money on. And now all he has is bus tokens. When he used to be rich last Sunday.

On a day when everything goes wrong for him, Alexander is consoled by the thought that other people have bad days too.

When Alexander feels mad or dad he wants to move to Australia. But most of the time he likes it right where he is. So when his mom and dad say that they're moving a thousand miles away, Alexander decides that he's not going. Never, Not ever. No way. Uh uh. N.O. For how can he leave his best friend or his favorite sitter or Seymour the cleaners? he'd rather stay and live in a tree house or cave. And even though Nick calls him puke-face and Anthony says he's immature, he's not (Do you hear me? I mean it!) going to move.

Although Alexander and his money are quickly parted, he comes to realize all the things that can be done with a dollar.

Alexander tries his hand at behaving in this hilarious companion to the bestselling classic Alexander and the Terrible, Horrible, No Good, Very Bad Day. Last night somebody ate a whole box of jelly donuts. That somebody woke up with a terrible bellyache, and that somebody's mom found the empty box and told that somebody that there are going to be consequences. That somebody is Alexander, and Alexander really hates consequences. So from now on, he is going to try his best to be the Best Boy Ever. For the complete and entire rest of his life. Starting right this very minute. But there are all sorts of things that you can't do when you're being the Best Boy Ever. Fun things. Very important things. Things that Alexander might—just might—like a little bit more than he hates consequences.

Angry Alexander refuses to move away if it means having to leave his favorite friends and special places.

Alexander's grandparents give him a dollar on Sunday, but by the end of the day all he has left in his pockets are bus tokens. A rather tongue-in-cheek introduction to money and finance... --The Horn Book

Presents all three classic stories about Alexander, the youngster who is representative of everyone's little brother--struggling day by day against the unfair things in life and matching wits with his siblings--in a single volume.

In this electric follow-up to Newbery Medal–winner *The Crossover*, soccer, family, love, and friendship take the field as twelve-year-old Nick
