tells her story to her former boss, Jackson, and he makes a startling proposal: that he and Taylor should get married as soon as possible and apply for custody of her brother. It's true that with the successful, world-famous film producer on her side, her stepfather wouldn't be able to stand in her way?but why the offer? They were never more than boss and secretary. Two classic stories about giving in to your deepest desires from New York Times bestselling author Nalini Singh AWAKEN TO PLEASURE Taylor Reid hadn't seen Jackson Santorini since she made the difficult decision to shut him out of her life one year ago. Unable to extinguish the flame she carried for her devastatingly handsome—and married—boss, walking away had been her only option. Now Jackson was back in her life, newly widowed and in the perfect position to aid Taylor's quest for custody of her younger brother, but only on one condition: she become his wife and give him the child he longs for. Still haunted by her own painful past, Taylor is wary of the proposal, but the closer she gets to Jackson, the harder it is to deny the intense desire he's awoken in her.... AWAKEN THE SENSES Charlotte Ashton has always felt like she didn't belong—until she falls into the loving arms of worldly Alexandre Dupree. The sensual winemaker is consulting at her family's vineyard when he spots shy Charlotte, and is utterly spellbound by her beauty. After stumbling upon a diary containing her innermost fantasies, he soon learns she isn't exactly the demure innocent he first assumed her to be, and as he teases out the passionate side she's kept hidden, it's not long before the seducer becomes the seduced....

"WHAT WOULD YOU SAY TO MARRYING ME?" The proposal was as unexpected as her feelings for the man whose dark good looks rivaled an even darker past. Painful experience screamed that Taylor Reid should run far and fast from Jackson Santorini. But keeping custody of her brother meant becoming her former boss's bride. And giving Jackson a baby. Despite his powerful size and presence, Jackson had been wounded...deeply...by a woman. Yet he'd protected her at a personal cost, if his restrained ardor in deference to her virginal apprehension was one indication. Suddenly, for Jackson's sake, Taylor wanted to replace pain with pleasure. Only, she'd never imagined what sensations—and secrets— she would awaken....
