Black Box Thinking: Marginal Gains and the Secrets of High Performance. November 11, 2017 - 11:10 am. If you had to boil down Matthew Seyd's Black Box Thinking: Marginal Gains and the Secrets of High Performance to four words it would be the fairly unexceptional sounding 'learn from your mistakes'. What makes it such a good read, however, is not only the lively range of examples but also the time he takes to probe into why people often don't learn from mistakes.
