Norma (Italian:) is a tragedia lirica or opera in two acts by Vincenzo Bellini with libretto by Felice Romani after the play Norma, ou L'infanticide (Norma, or The Infanticide) by Alexandre Soumet. It was first produced at La Scala in Milan on 26 December 1831.. The opera is regarded as a leading example of the bel canto genre, and the soprano prayer "Casta diva" in act 1 is a famous piece.

Just as many people believe Maria Callas is the only Tosca, thanks to her incredible performances of Puccini's aria, "Vissi d'Arte", Dame Joan Sutherland is thought to be the only Norma that matters. She set the bar. Her powerful voice soars effortlessly through the aria's high notes and ornamentation. Beverley Sills (watch on YouTube)

"Norma" also features one of the all-time great soprano arias, "Casta diva." As such, the opera is considered a defining role for operatic sopranos, including Maria Callas, whose debut as Norma in 1952 at Covent Garden is considered by many opera aficionados to be one of the best performances of the role to date.
