Changing English : David Graddol :
9780415376792

David Graddol, who died in March aged 66, was a one-man think tank who changed the way the world sees the English language and the way the English Language industry sees the world. Always a polymath, he graduated in 1975 from the University of York with a BA in Language and Linguistics, and then completed a second BA in Sociology from the same university in 1983.

The decline of the native speaker. In Graddol, David/Meinhof, Ulrike (eds.). English in a Changing World.

David Graddol - Wikipedia

Breaking new methodological ground, David Graddol demonstrates how a study of public discourse – in newspapers, blogs, signs and advertisements in the urban landscape – can be used to monitor the complex changing role that English is now playing in education, employment and evolving social identities.

David Graddol (Author of Changing English)

With many more non-native speakers, English will change, and ischanging Singlish “catch no ball” “go stun” David Graddol (2006) “Asia, especially India and China, probably now holds the key to the long-term future of English as a global language.”

Changing English

For graduate students, additional readings are necessary--but "Changing English" gives them foundational information and a theoretical background about language change that lead easily into more specialized texts. The inclusion of color photos, maps, and other charts make the book attractive. Kudos to Graddol et al!
