Some historic compressors from the 1950s were used creatively by Joe Meek and other notable engineers of the past. They achieved some of these effects and the compressor models have become venerated for their 'sound'; the JOEMEEK compressor achieves more, and does it by design.

About Joe Meek

Given the social and moral environment of early '60s Britain, it's tempting to think that Joe Meek's repressed sexuality and fragile mental state played the major part in shaping his creativity....

Carry on Compressing!: Joe Meek and 1960s Britain - PopMatters

Robert George "Joe" Meek (5 April 1929 – 3 February 1967) was an English record producer, musician, sound engineer and songwriter who pioneered space age and experimental pop music. He also assisted the development of recording practices like overdubbing, sampling and reverberation. Meek is considered one of the most influential sound engineers of all time, being one of the first to develop ...

Joe Meek - Wikipedia

It took a bit of digging to see what it ' s capable of. In contrast to a VCA compressor, where changing ratios gives a subtle, progressive change, the Joe meek slope control gives five very different approaches & sounds. In conjunction with the compression control, slope changes the sound massively

Joe Meek SC2.2 V4 Stereo Compressor (Refurbished) ...

Part of the Joe Meek range of outboard gear, this stereo compressor was designed by famed British engineer Ted Fletcher. These early Joe Meek units were built in small quantities but have a big reputation. The SC range is complex and comprises many versions, updates & revisions.

Joe Meek SC2 V1.07 Stereo Compressor (Refurbished) ...

Built into a half-rack 1U metal case and powered from an included adaptor, the Joemeek Three Q combines a mic/line preamp with an optical compressor and a simple but musical equaliser.

Joemeek Three Q - Sound on Sound

Joemeek are the makers of high quality pro audio equipment made with the mantra of their namesake 'if it sounds right, is right!

Welcome to Joemeek

My association with Joe Meek in 1963 to 1965 gave me a lifelong interest in what makes a recording ' sound ' good. Combinations of compression and EQ. I founded Alice mixers in 1969 and the company that specialised in compressors in 1993, so I have been designing and building electronic equipment since the early 1960s.... that ' s 50 years!!

Joe Meek VC3Q - question about compressor - Effects - Basschat

People are very down the middle about them and the fact that there are so many different versions, which creates confusion. It really does depend on which particular Joe Meek compressor you are talking about. For Instances, alot of people rate the Joe Meek SC2 v1.05 (Original) and some don't mind the v1.07 but don't rate the v2.02

Joe Meek Compressor? Good buy? - Gearslutz

As for sound, the new Meek spec much better than before, but everything is subjective to the end user. The issue is the use of the unit as it really is much different when it comes to the compressor. One of the major changes is the attack time on the new unit is 10 times faster.

Joemeek mc2 - Gearslutz

Part of the Joe Meek range of outboard gear, the SC2.2 was designed by famed British engineer Ted Fletcher. These Joe Meek units were built in small quantities but have a big reputation. The SC range is complex and comprises many versions, updates & revisions. The SC.2 is a late, lower-cost version of the SC range and the V3 is one of the later. ...

Joe Meek SC2.2 V3 Stereo Compressor (Refurbished) ...

JoeMeek has long been known for the rackmount signal processing devices. The FloorQ is an attempt to deliver the same compression circuit in rackmount compressors like the M2. Additionally, the FloorQ has a built in preamp. The FloorQ is an optical circuit and the tone is quite transparent, but warm and very smooth.

JoeMeek FloorQ Compressor Review

Here is a rare classic from Joe Meek. The C2 is a stereo compressor, no longer in production, that designer Ted Fletcher says he is most proud of. It can be used during tracking or mastering and brings sonic magic to anything it is connected to! Please note this is not a 'channel strip' for a microphone/DI and does not supply phantom power.

Classic Joe Meek C2 Stereo Compressor - eBay

English record producer, recording engineer and songwriter. His biggest hit was " Telstar " by The Tornados (1962). He was born April 5, 1929, Newent, Gloucestershire and died February 3, 1967 in London. He is considered the UK ' s first independent pop record producer.
