Construction law. Although regarded  
as a sub-branch of general law,  
construction law has become a  
specialised discipline in its own right.  
Most people requiring legal advice in  
construction would probably seek the  
services of a construction lawyer  
rather than a general, ‘ all-purpose ’  
lawyer . Construction law deals with

Construction law – Wikipedia

A general rule of contributory negligence is that a main contractor is not liable for the negligence of its independent subcontractor. There are some exceptions to this rule, including: The main contractor had actual knowledge that the subcontractor's work had been done in a foreseeably dangerous way and condoned it

or clear the first tree.

~~What is Construction Law?~~

~~Becoming a Construction Lawyer~~

An independent contractor is an individual who does work for another individual or company but is not an employee of the firm that is paying them. These individuals will need to abide by a series of laws and regulations in their business transactions and interactions. The rules they must follow can be both federal and state-level directives.

~~Laws and Regulations Affecting  
Independent Contractors~~

The Change Orders portion of the provision prescribes the procedures that the builder or contractor may take in order to notify you of any changes to the original project,
