Rating more than 50 types of appliances--including dishwashers, microwaves, washing machines, and electric ranges--this guide helps consumers cut through the advertising hype and find appliances that truly meet their needs. It also provides maintenance, repair, and safety advice, as well as tips on how to maximize energy efficiency.

Recognized as One of the Best Business Books for 2014 by CIO Magazine Based on interviews with more than 150 CIOs, IT/business executives, and academic thought leaders, The Strategic CIO: Changing the Dynamics of the Business Enterprise provides insight, success stories, and a step-by-step methodology to transform your IT organization into a strategic asset that drives customer value, increases revenues, and enhances shareholder wealth. The book details how strategic CIOs from FedEx, Procter & Gamble, McKesson, and other leading companies transformed their organizations. It illustrates the methods these CIOs used to become strategic partners that collaborate effectively within their organizations to leverage information and technology for a competitive advantage. The text will help you assess the key competencies and skills required by IT personnel to partner with your business teams to create new and enhanced products and services that create customer value, increase margin, and enhance shareholder wealth. The book includes powerful methodologies, time-saving templates, proven best practices, and helpful assessments. It also details a four-phase methodology, along with the associated activities and tools, to help your IT organization successfully transform into a strategic IT organization. Gain insight into the four domain competencies and twelve associated skills required to build effective strategic IT organizations. Build your roadmap to success using the transformation methodology described in the text and you will be on your way to making your organization a strategic IT organization. Read Philip Weinzimer ' s recent article that appeared on CIO.com.

A nuclear explosion obliterates Tehran. Simultaneously a man-made bio weapon begins to decimate the populations of India and China. Eric Lantz is sent to find those responsible and prevent the Ghost of Empire from rising again.

A nuclear weapon explodes in Tehran, Iran.. The world immediately suspects the United States and Israel of murdering millions. Eric Lantz is called up to find the real parties behind the horror. He is teamed up with Alia al Faizal, a medic with Doctors Without Borders. As they fight to find the source of the nuclear trauma, a horrific plague breaks out in China and India. Suspecting that the two events are related, Eric and Alia form an uneasy alliance. Together they chase the evidence across the middle east to Babbat Castle in Iran. Working together, they uncover the evil behind the horror and the rise of an ancient kingdom.

Imagine having it all and leaving it all behind -- to answer a higher calling... REVELATIONS His rise to fame was one of rap's great success stories. He had millions of fans and the prospect of multi-millions of dollars. But just as Ma#&36;e -- as he was then called -- was poised to sign a deal with Sean "Puffy" Combs' famed Bad Boy Records, he walked away. Revelations is Mason Betha's powerful memoir about a miraculous transformation: his own -- from the material-minded Ma\$e to the pastor he has become. Here, Betha reveals the rhyme and reason behind his choice to trade in his sensational music career for a richer, more spiritual one. As founder of a nondenominational movement called S.A.N.E. (Saving a Nation Endangered) Ministries, Betha has traveled throughout the country to share his messages of peace and prosperity with today's youth. Revelations is his testament to the enduring power of faith, and to the limitless possibilities in a life transformed by God's guiding hand.

A new consumer buying guide aids homeowners in difficult purchasing decisions, providing advice, descriptions, and ratings of more than eight hundred brand-name items, including kitchen appliances, tools, remodeling materials, and home electronics, accompanied by tips on how to get the best value for one's money.
