simple arrangement is suddenly feeling downright dangerous...

For the past couple years Laurel's been coasting, hiding in the backseat while her life drifts off course. Then one summer afternoon a tall, built bruiser named Flynn strides in and steers her straight into an

infatuation she never saw coming. Flynn introduces Laurel to things she's never imagined before-to the violent but exciting realm of the underground boxing circuit, to rough sex and even rougher role-playing, and to an attraction she craves even as it intimidates her. As Flynn invites her deeper into his world and his life,

Laurel has to make a choice-let fear keep her holed up where it's safe, or take a chance and fight for the man who makes her feel more alive than she'd dreamed possible.

In this all-new novel from the author of *After Hours* and *Unbound*, a woman with

a rocky past finds romance in the last place she'd ever expect... Annie Goodhouse doesn't need to be warned about bad boys; good sense and an abusive ex have given her plenty of reasons to play it safe. But when she steps into her new role as outreach librarian for Cousins Correctional Facility, no amount of good

sense can keep her mind—or eyes—off inmate Eric Collier. Eric doesn't claim to be innocent of the crime that landed him in prison. In fact, he'd do it again if that's what it took to keep his family safe.

Loyalty and force are what he knows. But meeting Annie makes him want to know more. When Eric begins courting Annie

A "smoking hot"* erotic romance novel that will have you up all night... Erin Coffey has been a nurse for years, but

File Type PDF Curio 1 Cara Mckenna

nothing's prepared her for the physical and emotional demands of her new position. Needing to move closer to her dysfunctional family, she takes a dangerous job at Larkhaven Psychiatric Hospital, where she quickly learns that she needs protection—and she meets the strong, over-confident coworker who's more than

File Type PDF Curio 1 Cara Mckenna

willing to provide it. Kelly Robak is the type of guy that Erin has sworn she'd never get involved with. She's seen firsthand, via her mess of a sister, what chaos guys like him can bring into a woman's life. But she finds herself drawn to him anyway, even when he shows up at her door, not eager to take no for an
