In Darkfever Mac discovers they are not her biological parents. She and Alina were adopted and part of the custody agreement was a promise that the girls never be allowed to return to the country of their birth.

MacKayla Lane ' s life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, she ' s your perfectly ordinary twenty-first-century woman. Or so she thinks . . . until something extraordinary happens. When her sister is murdered, leaving a single clue to her death—a cryptic message on Mac ' s cell phone—Mac journeys to Ireland in search of answers. The quest to find her sister ' s killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed—a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae. . . . As Mac delves deeper into the mystery of her sister ' s death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlane—an alpha Fae who makes sex an addiction for human women—closes in on her. And as the boundary between worlds begins to crumble, Mac ' s true mission becomes clear: find the elusive Sinsar Dubh before someone else claims the all-powerful Dark Book—because whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands. . . . NEW YORK TIMES BESTSELLER • MacKayla Lane and Jericho Barrons return in the epic conclusion to the pulse-pounding Fever series, where a world thrown into chaos grows more treacherous at every turn. As Mac, Barrons, Ryodan, and Jada struggle to restore control, enemies become allies, right and wrong cease to exist, and the lines between life and death, lust and love, disappear completely. Black holes loom menacingly over Dublin, threatening to destroy the earth, yet the greatest danger is the one MacKayla Lane has unleashed from within: The Sinsar Dubh—a sentient book of unthinkable evil—has possessed her body and will stop at nothing in its insatiable quest for power. The fate of Man and Fae rests on destroying the book and recovering the long-lost Song of Making, the sole magic that can repair the fragile fabric of the earth. But to achieve these aims, sidhe-seers, the Nine, Seelie, and Unseelie must form unlikely alliances and make heart-wrenching choices. NEW YORK TIMES BESTSELLER • MacKayla Lane faces the ultimate threat when war breaks out between the kingdoms of shadow and light, as the Fever series races to an explosive revelation. From the moment MacKayla Lane arrived in Dublin to hunt her sister ’ s murderer, she ’ s had to fight one dangerous battle after the next: to survive, to secure power, to keep her city safe, to protect the people she loves. The matter of who ’ s good and who ’ s evil can be decided by the answer to a single question: Whose side are you on? Now, as High Queen of the Fae, Mac faces her greatest challenge yet: ruling the very race she was born to hunt and kill—a race that wants her dead yesterday, so they can put a pure-blooded Fae queen on the throne. But challenges with her subjects are the least of her concerns when an ancient, deadly foe resurfaces, changing not only the rules of the game but the very game itself, initiating a catastrophic sequence of events that have devastating consequences and leave Mac questioning everything she ’ s ever learned and everyone she ’ s ever loved. Now begins an epic battle between Mortal and Fae, Seelie and Unseelie, would-be kings and would-be queens, with possession of the Unseelie King ’ s virtually unlimited power and the fate of humanity at stake. From the exquisite, deadly gardens of the High Queen ’ s court, to long-forgotten truths found in the Sacred Grove of Creation, from the erotic bed of her enigmatic, powerful lover to the darkest, seductive reaches of the Unseelie kingdom, Mac ’ s final journey takes her places no human has been before, and only one human could possibly survive . . . One who ’ s willing to sacrifice everything.

#1 NEW YORK TIMES BESTSELLER “ Evil is a completely different creature, Mac. Evil is bad that believes it ’ s good. ” MacKayla Lane was just a child when she and her sister, Alina, were given up for adoption and banished from Ireland forever. Twenty years later, Alina is dead and Mac has returned to the country that expelled them to hunt her sister ’ s murderer. But after discovering that she descends from a bloodline both gifted and cursed, Mac is plunged into a secret history: an ancient conflict between humans and immortals who have lived concealed among us for thousands of years. What follows is a shocking chain of events with devastating consequences, and now Mac struggles to cope with grief while continuing her mission to acquire and control the Sinsar Dubh—a book of dark, forbidden magic scribed

by the mythical Unseelie King, containing the power to create and destroy worlds. In an epic battle between humans and Fae, the hunter becomes the hunted when the Sinsar Dubh turns on Mac and begins mowing a deadly path through those she loves. Who can she turn to? Who can she trust? Who is the woman haunting her dreams? More important, who is Mac herself and what is the destiny she glimpses in the black and crimson designs of an ancient tarot card? From the luxury of the Lord Master ' s penthouse to the sordid depths of an Unseelie nightclub, from the erotic bed of her lover to the terrifying bed of the Unseelie King, Mac ' s journey will force her to face the truth of her exile, and to make a choice that will either save the world . . . or destroy it. NEW YORK TIMES BESTSELLER • Immortal Faerie and ancient feuds, secrets and sacrifices—a thrilling new chapter in the bestselling Fever series begins, featuring Dani, Ryodan, and other beloved characters, as they battle to save Dublin from the rising of a terrifying evil determined to enslave the human race. There is no action without consequence. Dani O ' Malley was nine years old when the delusional, sadistic Rowena transformed her into a ruthless killer. Years later, Dani is tough and hardened, yet achingly vulnerable and fiercely compassionate, living alone by her own exacting code. Despite the scars on her body, and driven by deeper ones carved into her soul, no one is more committed to protecting Dublin. By day she ensures the safety of those she rescues, by night she hunts evil, dispensing justice swiftly and without mercy, determined to give to those she cares for the peace she has never known. There is no power without price. When the Faerie Queen used the dangerously powerful Song of Making to heal the world from the damage done by the Hoar Frost King, catastrophic magic seeped deep into the earth, giving rise to horrifying, unforeseen consequences—and now deadly enemies plot in the darkness, preparing to enslave the human race and unleash an ancient reign of Hell on Earth. There is no future without sacrifice. With the lethal, immortal Ryodan at her side, armed with the epic Sword of Light, Dani once again battles to save the world, but her past comes back to haunt her with a vengeance, demanding an unspeakable price for the power she needs to save the human race. And no one—not even Ryodan, who would move the very stars for her—can save her this time. Praise for High Voltage “ A romance wrapped up in a thrilling sci-fi novel—what more could you want? ” —PopSugar “ If you ' ve never read a Karen Marie Moning book before, you ' re missing out. Her heroines alone are worth the read. . . . Despite being set in a dystopian world filled with magic and fae, the obstacles that these characters go through are very much humanlike. . . . Cannot wait to see where [she] takes this series next. ” —Under the Covers
