daughter back. In attempting to keep the mother-daughter connection alive, the mother may ask questions that the daughter sees as intrusive, or give advice, which the daughter interprets as interfering.

## **How to Navigate Tricky Mother-Daughter Relationships**

I've found that parents and their adult children define "hardly ever call" quite differently. I know that when my son's number hasn't shown up on my caller ID for three or four days, I begin to worry -- unnecessarily, of course. These phone silences have more to do with what's going on in his life than how he feels about me.

daughter stands on her own strong, confident, and independent. However, for many mothers and daughters, this dance becomes complicated and convoluted. If mom has a narcissistic, borderline or histrionic personality disorder has traits thereof, or... is just plain difficult there will be trouble.

## **Dealing with a Difficult Mother - Daughters Rising**

An adult daughter's estrangement can be difficult on a family. Hurt feelings, anger and frustration may dominate the relationship between daughter and parent. It is important to communicate feelings and resolve issues when possible. It is also important to resolve issues personally in order to live a happy life whether the daughter participates or not.
