Book four in the Mallick Brothers series, this book follows, Hunter (For a Good Time, Call...) then Shane, Ryan & Mark. I thoroughly enjoyed this book and just adored Eli & Autumn together. Laugh out loud moments from Peyton (say, where is her book? and on that note, Scotti's brothers...) and truly heart mending moments to cherish.

Six years on the inside gave a man a lot of time to think. And a lot of time to plan. When I got out, I was determined for things to go a different way. I never wanted to lose control and rage out again. The only way to accomplish that, though, was to shut it all down. Complete disconnect. That meant no family, no friends, no links to anything attached to the man I was before. Of course the problem was, I never factored HER into my plans. And try as I might, I couldn't find a way to shut it down, to disconnect from her. I had a sneaking suspicion she was going to take all my carefully constructed plans and toss them out the window, was going to force me to face up the demons inside and confront the ghosts from my past. Those ghosts? They wore the faces of my family. And a confrontation with them, yeah, I had a feeling it was going to show me that I had spent six years taking action on beliefs about the demons inside. Demons that had never actually existed in the first place...

A girl raised by monsters. A man who helped get her free. A love that spans decades. Let's go back to the 80s to see how Charlie and Helen Mallick fell in love.

I was just supposed to be laying low, keeping my head down, staying out of trouble. And "trouble" was exactly what Shane freaking Mallick was. Knee-cap breaker, loan shark enforcer, panty-dropper. Trouble with a capital T. And the absolute last thing I needed in my life...

Mark-Love and commitment might be great. You know, for my brothers. Not for me. But then, in a chance meeting, I came across her. Why was she different? I couldn't say for sure. Maybe it was the fact that she was the most gorgeous woman I had ever seen. Maybe it was the the sharp edges she wore like a shield that made me want to see what was beneath. Or maybe it had something to do with whatever secret she was trying so desperately to hide. Scotti-Love and commitment weren't even in the realm of possibilities for me. My life had one purpose, one mission, and I couldn't afford to let anyone get in the way. But then there was Mark Mallick - ladies man, loanshark enforcer, and very determined to know my secrets. That was problematic any day, but especially so with him. Why? Maybe because the things he would offer me, the things he would show me were possibilities for my life could make me completely reevaluate the mission that had completely consumed the last ten years of my life. But could I have those things? Could I escape the life I had been trapped in for so long? With Mark Mallick by my side, I was thinking maybe it was possible...

RYAN She was perfect: Sweet, smart, awkwardly adorable, and beautiful as hell. The only problem was: she was terrified to leave her apartment. And, apparently, she had somehow gotten herself wrapped up with some pretty bad guys to boot. DUSTY He was perfect: He was a living, breathing, walking, talking statue come to life. But when would a man like that ever want to be with a woman who was too anxious to even walk into the hallway? Let alone go on a date with him. Or meet the family he was so close with. That being said, he seemed interested for some reason. So obviously, he was just as crazy as I was. On top of that whole confusion situation, something was

going on with my business partners. And things were about to go straight to hell...

My husband hates me. But he's also the only man who can save me. Taken by a stranger, Santiago is my only hope. Except that I don't know if he's dead or alive. And for as cruel as he can be, the thought he might be gone is unbearable. But he has nine lives, my monster. He's not finished with me yet. And soon I'm back at The Manor. Locked in my room. At his mercy. I know I am despised. I know I have become the face of his vengeance. But there's something else too. Something between us. It's a dark and gnarled thing. And it has its claws around my heart.

Boy meets girl. Boy falls in love with girl. Girl falls in love with boy... SCREECH! No. It can't be that easy. (You knew that, right?) Boy meets girl. Boy can't fall in love with girl. She also has secrets. He'll try to uncover all her secrets. But in doing so, he'll have to remove all the walls she hides behind. Leave her bare and aching. And what happens then? Girl meets boy. Girl falls in love with boy. Boy can't love her back.

Friends of the family were forbidden fruit. You didn't get to take a bite, no matter how tempting it might be. And it sure was tempting when they showed up at your doorstep, soaking wet, shaking, begging for your help, your protection, when you suddenly found them hiding out from their problems in your place, in your bed while you attempted to take on their case, figure out how someone who led the quiet kind of life she did ended up on some bad guy's radar, who wanted her badly enough to chase her through the streets, to make her need to uproot her entire life. She was trusting me, depending on me. There were plenty of things to keep my mind occupied. Yet all I could think about was what it might be like to get a taste, a touch, a bite. Maybe if I had been more focused on her case, I would have seen what was coming, could have prevented it before it was too late...

Hunter is on the run from a past he wants nothing more than to forget about. He settles into his new life in a new city with a sexy new neighbor who goes out drinking every night and seems to have a lot of kinky, fantastic sex every day. Fiona has more than a few scars from her past, nightmares so bad she can't be in her own apartment at night. She spends her days moaning like a porn star to her phone sex callers and putting up walls so thick no one can break them down. That is until she keeps getting woken up from the hot new guy next door and goes over to confront him, sending them both into uncharted territory. When their pasts come charging into their present, will they be able to heal the old wounds enough to let each other in? Or is there some damage that is simply too difficult to overcome?

A man born to protect After a major loss, Brody Carter found a home with the London office of McKay-Taggart. A former soldier, he believes his job is to take the bullets and follow orders. He's happy to take on the job of protecting Dr. Stephanie Gibson while the team uses her clinic in Sierra Leone to bring down an international criminal. What he never expected was that the young doctor would prove to be the woman of his dreams. She's beautiful, smart, and reckless. Over and over he watches her risk her life to save others. One night of pure passion leads him to realize that he can't risk his heart again. When the mission ends, Brody walks away, unwilling to lose another person he loves. A woman driven to heal Stephanie's tragic past taught her to live for today. Everything she's done in the last fifteen years has been to make up for her mistakes. Offering medical care in war-torn regions gives her the purpose she needs to carry on. When she meets her gorgeous Aussie protector, she knows she's in too deep, but nothing can stop her from falling head over heels in love. But after one amazing night together, Brody walks away and never looks back. Stephanie is left behind...but not alone. A secret that will change both their lives A year later, Stephanie runs afoul of an evil mercenary who vows to kill her for failing to save his friend. She runs to the only people she trusts, Liam and Avery O'Donnell. She hasn't come alone and her secret will bring her former lover across the world to protect her. From Liberia to Dallas, Brody will do whatever it takes to protect Stephanie from the man who wants to kill her, but it might be her own personal demons that could destroy them both.
