Everybody Was So Young throws you into the glamorous world of the Murphys (Sara and Gerald) who crossed paths with many famous figures from the Modernist movement. The Murphys are more subtle figures compared to their famous friends Picasso, Hemingway, and Fitzgerald; yet studying more "normal" figures from this period provides a clearer picture of what this life actually felt like.

New York Times Bestseller: “A marvelously readable biography” of the couple and their relationships with Picasso, Fitzgerald, and other icons of the era (The New York Times Book Review). Wealthy Americans with homes in Paris and on the French Riviera, Gerald and Sara Murphy were at the very center of expatriate cultural and social life during the modernist ferment of the 1920s. Gerald Murphy—witty, urbane, and elusive—was a giver of magical parties and an acclaimed painter. Sara Murphy, an enigmatic beauty who wore her pearls to the beach, enthralled and inspired Pablo Picasso (he painted her both clothed and nude), Ernest Hemingway, and F. Scott Fitzgerald. The models for Nicole and Dick Diver in Fitzgerald’s Tender Is the Night, the Murphys also counted among their friends John Dos Passos, Dorothy Parker, Fernand Léger, Archibald MacLeish, Cole Porter, and a host of others. Far more than mere patrons, they were kindred spirits whose sustaining friendship released creative energy. Yet none of the artists who used the Murphys for their models fully captured the real story of their lives: their Edith Wharton childhoods, their unexpected youthful romance, their ten-year secret courtship, their complex and enduring marriage—and the tragedy that struck them, when the world they had created seemed most perfect. Drawing on a wealth of family diaries, photographs, letters and other papers, as well as on archival research and interviews on two continents, this “brilliantly rendered biography” documents the pivotal role of the Murphys in the story of the Lost Generation (Los Angeles Times). “Often considered minor Lost Generation celebrities, the Murphys were in fact much more than legendary party givers. Vaill’s compelling biography unveils their role in the European avant-garde movement of the 1920s; Gerald was a serious modernist painter. But Vaill also shows how their genius for friendship and for transforming daily life into art attracted the most creative minds of the time.” —Library Journal

A dazzling novel set in the French Riviera based on the real-life inspirations for F. Scott Fitzgerald's Tender is The Night. When Sara Wiborg and Gerald Murphy met and married, they set forth to create a beautiful world together—one that they couldn't find within the confines of society life in New York City. They packed up their children and moved to the South of France, where they immediately fell in with a group of expats, including Hemingway, Picasso, and Zelda and Scott Fitzgerald. On the coast of Antibes they built Villa America, a fragrant paradise where they invented summer on the Riviera for a group of bohemian artists and writers who became deeply entwined in each other's affairs. There, in their oasis by the sea, the Murphys regaled their guests and their children with flamboyant beach parties, fiery debates over the newest ideas, and dinners beneath the stars. It was, for a while, a charmed life, but these were people who kept secrets, and who beneath the sparkling veneer were heartbreakingly human. When a tragic accident brings Owen, a young American aviator who fought in the Great War, to the south of France, he finds himself drawn into this flamboyant circle, and the Murphys find their world irrevocably, unexpectedly transformed. A handsome, private man, Owen intrigues and unsettles the Murphys, testing the strength of their union and encouraging a hidden side of Gerald to emerge. Suddenly a life in which everything has been considered and exquisitely planned becomes volatile, its safeties breached, the stakes incalculably high. Nothing will remain as it once was. Liza Klausman expertly evokes the 1920s cultural scene of the so-called "Lost Generation." Ravishing and affecting, and written with infinite tenderness, VILLA AMERICA is at once the poignant story of a marriage and of a golden age that could not last.

"Excellent. This is a fine, and unusual, collection of literary Americana."—Atlantic "Fine comic moments of truth."—New York Times Book Review "An invaluable source of literary history."—Publishers Weekly This is the story of one of the most famous literary "sets" of the twentieth century. Gerald and Sara Murphy were at the center of a group including Ernest Hemingway and his wives, F. Scott and Zelda Fitzgerald, John Dos Passos, Archibald MacLeish, Dorothy Parker, Alexander Woollcott, Robert Benchley, Phillip Barry, and many others. They personified the jazz age and the lost generation. The Murphys have been viewed primarily as cult/pop figures. In this book Miller shows, through a sequential interweaving of letters from several correspondents, that they actually were the nucleus without which the group as we know it would not have stayed together. Miller allows the individual correspondents to tell their own stories, providing new insights into their lives and this era. It is the best sort of eavesdropping. Gerald and Sara Murphy married on December 30, 1915. Both families were moneyed and cosmopolitan. Their attraction to each other was in part based on their desire to escape the routine and predictable social rounds in which their families were immersed. Against their families' wishes, they and their three children left for Europe in 1921. They remained in France for over a decade, and quite naturally socialized with the expatriate set. They were, in part, models for Dick and Nicole Diver in Tender Is the Night. MacLeish wrote poems about them, their friends paid tribute to them and relied on them day to day and in correspondence, and their own letters are worth reading for their liveliness and because they so well preserve a record of the twenties and thirties. Miller provides nearly every extant letter between the Murphys and their friends during those decades. Most of them have not been published previously, and of course, they have never been presented collectively. Together, they constitute an epistolary "novel" of peculiar power and authenticity about a remarkable era. Linda Patterson Miller is associate professor of English at Pennsylvania State University at Ogontz.

"Gerald and Sara Murphy took Paris by storm in the 1920s, inserting themselves into the avant-garde circles of dance, music, and art. Lively and engaging, Making It New sheds new light on the European fascination with the Murphys and provides key insights into their life and art."—Cecile Whiting, author of Pop L.A.: Art and the City in the 1960s "By telling and retelling the story of the Murphys from various viewpoints, Making It New aims to be the first comprehensive study of their contribution to Modern Art. This book should be of wide interest to both scholars and general readers."—Elizabeth Hutton Turner, author of Americans in Paris: Man Ray, Gerald Murphy, Stuart Davis, Alexander Calder

First published in 1977, and now available for a younger generation with a new introduction by the author, Living Well Is the Best Revenge is Calvin Tomkins's now-classic account of the lives of Gerald and Sara Murphy, two American expatriates who formed an extraordinary circle of friends in France during the 1920s. First in Paris and then in the seaside town of Antibes, they played host to some of the most memorable artists and writers of the era, including Cole Porter, Pablo Picasso, Fernand Léger, Ernest Hemingway, and Scott and Zelda Fitzgerald. Gerald Murphy was himself an accomplished painter, though he practiced for only eight years, from 1922 to 1929. Responding to the paintings he saw in Paris with an American sensibility, he produced fifteen works, seven of which survive and one of which is in the collection of The Museum of Modern Art. Illustrated with nearly seventy photographs from the Murphy family album and featuring a special section on Gerald Murphy's paintings, Living Well Is the Best Revenge is a Lost Generation chronicle as charming and fascinating as the couple themselves.

The New York Times bestseller. "Fiendishly readable . . . a deeply, almost obsessively researched biography of a book."—The Washington Post In the summer of 1925, Ernest Hemingway and a clique of raucous companions traveled to Pamplona, Spain, for the town's infamous running of the bulls. Then, over the next six weeks, he channeled that trip's maelstrom of drunken brawls, sexual rivalry, midnight betrayals, and midday hangovers into his groundbreaking novel The Sun Also Rises. This revolutionary work redefined modern literature as much as it did his peers, who would forever after be called the Lost Generation. But the full story of Hemingway's legendary rise has remained untold until now. Lesley Blaine resurrects the explosive, restless landscape of 1920s Paris and Spain and shows how Hemingway helped create his own legend. He made himself into a death-courting, bull-fighting aficionado; a hard-drinking, short-fused literary genius; and an expatriate bon vivant. Blaine's vivid account reveals the inner circle of the Lost Generation as we have never seen it before and shows how it still influences what we read and how we think about youth, sex, love, and excess. "Totally captivating, smartly written, and provocative."—Glamour "[A] must-read . . . The boozy, rowdy nights in Paris, the absurdities at Pamplona's Running of the Bulls and the hungover brunches of the true Lost Generation come to life in this intimate look at the lives of the author's expatriate comrades."—Harper's Bazaar "A fascinating recreation of one of the most mythic periods in American literature—the one set in Paris in the '20s."—Jay McInerney

Chronicles the National Book Award-nominated author's 1950s early adulthood during which she was compelled to set aside her career goals to support her playwright husband and make painful sacrifices in service to a circle of male artists, including George Plimpton, Norman Mailer and William Styron.
