Fearless (The Lost Fleet, Book 2): Campbell, Jack ...

Overview. Captain John "Black Jack" Geary tries a desperate gamble to lead the Alliance Fleet home through enemy-occupied space in this novel in the thrilling Lost Fleet series. Geary is convinced that the Syndics are planning to ambush the fleet and finish it off once and for all. Realizing the fleet's best (and only) chance is to do the unexpected, Geary takes the offensive and orders the fleet to the Sancere system.

At this point, The Lost Fleet is still military sci-fi first and space opera second. And the series is still very enjoyable for it. Fearless was just as good as Dauntless and book #3 should be just as entertaining.

Fearless (The Lost Fleet #2) – Literature Is Life

Fearless (2007) is the second naval SF novel in the Lost Fleet series, following Dauntless. In the previous volume, Geary led the Alliance survivors out of the Syndic system to Corvus and then to Kaliban. Geary learned in Corvus that Alliance ships knew little about tactical maneuvering, so he started training the fleet in simple formations.

The Lost Fleet is a military science fiction series written by John G. Hemry under the pen name Jack Campbell. The series is set one-hundred-plus years into an interstellar war between two different human cultures, the Alliance and the Syndics. The protagonist of the story is discovered floating in a suspended animation escape pod one hundred years after he made a "heroic last stand" against an enemy fleet. In his absence, he has been made into a renowned hero in the Alliance, but his legend and
