Read Free From Outrage To Courage Women Taking

I describe this outrage, the darkness of persistent poverty and the low status of women, and the scandalous injustices that ravage the health of poor women in many poorer countries. Yet there is another side to this story. Change is possible, brought on by the courage of women to shine a light in the darkness and take action.

From Outrage to Courage shows how the abrogation of women's rights around the world persists as a central issue for everyone concerned with human rights. Panoramic in scope, this book illuminates the details of women's lives—their struggles, their resilience, and the ability of so many to respond with practical and
