A Guide to Investing in Mutual Funds for Beginners ...

Mutual funds are a pot of money contributed by different investors and are managed by an individual or group. Funds and other investment instruments are divided into shares. Shares are a portion of the fund itself. This is what you are purchasing when you invest in a fund—a share (or portion of a fund) that will grow or shrink in value with the value of the entire fund.

Beginner's Guide to Investing in Mutual Funds

The mutual fund company is responsible for pooling investors' money to hire a fund manager who will invest it according to the fund's investment objective. For example, a long-term bond fund may...
