Grade retention or grade repetition is the process of a student repeating a grade due to failing it the previous year.. The better alternative to grade retention due to failure is a policy of social promotion, with the idea that staying within their same age group is important.Social promotion is the obligatory advancement of all students regardless of achievements and absences.

Grade retention - Wikipedia
(9th-10th grade students) The first semester usually includes study of cell biology, reproduction, genetics, evolution, and plant and animal classifications. Students should be able to:
