Moby-Dick; or, The Whale is an 1851 novel by American writer Herman Melville. The book is the sailor Ishmael 's narrative of the obsessive quest of Ahab, captain of the whaling ship Pequod, for revenge on Moby Dick, the giant white sperm whale that on the ship's previous voyage bit off Ahab's leg at the knee.

~~Moby-Dick—Wikipedia~~

Moby Dick is a famous book, and even those who have not read it know the story of the the old tar, Ahab and his obsession with finding and killing the great white sperm whale who took his leg in their last confrontation. However Melville has done much more than write a novel of obsession and revenge.

Moby Dick is the story of a great white sperm whale bull that fought back at whalers who tried to harpoon him. The idea came to Herman Melville after he spent time on a commercial whaler, where stories abounded of the sinking of the Essex in 1821 and Mocha Dick, a giant sperm whale that sank around 20 ships, before being harpooned in 1838.

~~Moby-Dick; Or the Whale, by Herman Melville~~

Herman Melville (born Melvill; August 1, 1819 – September 28, 1891) was an American novelist, short story writer, and poet of the American Renaissance period. Among his best-known works are Moby-Dick (1851), Typee (1846), a romanticized account of his experiences in Polynesia, and Billy Budd, Sailor, a posthumously published novella.

Moby-Dick; or, The Whale (1851) is a novel by Herman Melville considered to be one of the Great American Novels and an outstanding work of Romanticism and the American Renaissance. Ishmael narrates the monomaniacal quest of Ahab, captain of the whaler Pequod, for revenge on Moby Dick, a white whale which on a previous voyage destroyed Ahab's ship and severed his leg at the knee.

~~Free eBook: Moby Dick, by Herman Melville—Madness Serial~~

Moby Dick by Herman Melville is an adventure story, which is often categorised as a canonical American novel and one of the greatest works of modern English literature. However, despite being published in the mid-19th century, the book's positive reputation was largely formed in the 20th century, after its author's death.

~~Moby Dick PDF Book Online—Read Moby Dick by Herman Melville~~

The novel Moby Dick written by Herman Melville is very ambiguous and is full of symbolism, themes, and metaphors. The characters of the book resonate from the Bible and the novel begins with a Biblical quote from the book of Job. Moby Dick explains the relationship between human beings and others, the value of life, and a whaling lore.

Herman Melville was born in New York City in 1819. He worked as a crew member on several vessels beginning in 1839, his experiences spawning his successful early novels Typee (1846) and Omoo...

Moby-Dick; or, The Whale is a novel by Herman Melville, in which Ishmael narrates the monomaniacal quest of Ahab, captain of the whaler Pequod, for revenge on the albino sperm whale Moby Dick, which on a previous voyage destroyed Ahab's ship and severed his leg at the knee. Although the novel was a commercial failure and out of print at the time of the author's death in 1891, its reputation grew immensely during the twentieth century. D. H. Lawrence called it "one of the strangest and most wonderful books in the world," and "the greatest book of the sea ever written." Moby-Dick is considered a Great American Novel and an outstanding work of the Romantic period in America and the American Renaissance. "Call me Ishmael" is one of world literature's most famous opening sentences. The product of a year and a half of writing, the book is dedicated to Nathaniel Hawthorne, "in token of my admiration for his genius," and draws on Melville's experience at sea, on his reading in whaling literature, and on literary inspirations such as Shakespeare and the Bible. The detailed and realistic descriptions of whale hunting and of extracting whale oil, as well as life aboard ship among a culturally diverse crew, are mixed with exploration of class and social status, good and evil, and the existence of God. In addition to narrative prose, Melville uses styles and literary devices ranging from songs, poetry and catalogs to Shakespearean stage directions, soliloquies and asides. The author changed the title at the very last moment in September 1851. The work first appeared as *The Whale* in London in October 1851, and then under its definitive title *Moby-Dick* in New York in November. The whale, however, appears in both the London and New York editions as "Moby Dick," with no hyphen. The British edition of five hundred copies was not reprinted during the author's life, the American of almost three thousand was reprinted three times at approximately 250 copies, the last reprinting in 1871. These figures are exaggerated because three hundred copies were destroyed in a fire at Harper's; only 3,200 copies were actually sold during the author's life.

The National Book Award-winning author of *In the Heart of the Sea* shares expert guidelines on how to read and appreciate Herman Melville's classic work, offering insight into its history, characters and themes while explaining its literary relevance in the modern world. 100,000 first printing.

Moby-Dick is the story of Captain Ahab's quest to avenge the whale that 'reaped' his leg. The quest is an obsession and the novel is a diabolical study of how a man becomes a fanatic. But it is also a hymn to democracy. Bent as the crew is on Ahab's appalling crusade, it is equally the image of a co-operative community at work: all hands dependent on all hands, each individual responsible for the security of each.

A literary classic that wasn't recognized for its merits until decades after its publication, Herman Melville's *Moby-Dick* tells the tale of a whaling ship and its crew, who are carried progressively further out to sea by the fiery Captain Ahab. Obsessed with killing the massive whale, which had previously bitten off Ahab's leg, the seasoned seafarer steers his ship to confront the creature, while the rest of the shipmates, including the young narrator, Ishmael, and the harpoon expert, Queequeg, must contend with their increasingly dire journey. The book invariably lands on any short list of the greatest American novels.

Moby-Dick is an 1851 novel by Herman Melville. The story tells the adventures of the wandering sailor Ishmael and his voyage on the whaling ship Pequod, commanded by Captain Ahab. Often considered the embodiment of American Romanticism, *Moby-Dick* was first published by Richard Bentley in London on October 18, 1851 in an expurgated three-volume edition titled *The Whale*, and later as one massive volume, by New York City publisher Harper and Brothers as *Moby-Dick; or, The Whale* on November 14, 1851. This a photo-mechanical reprint of that edition. The first line of Chapter One—"Call me Ishmael."—is one of the most famous in literature. Although the book initially received mixed reviews, *Moby-Dick* is now considered one of the greatest novels in the English language and has secured Melville's place among America's greatest writers.

Herman Melville's *Moby-Dick* is considered a treasure of American literature. The author never lived to see the book's success, however, as it was published in 1851 and its first surge of popularity came only after the First World War. *Moby-Dick* tells the story of Ishmael, a sailor on the whaleship Pequod. Ishmael soon discovers that the mysterious Captain Ahab is possessed of a singular goal: to find and kill the white whale that bite off Ahab's leg on a previous voyage, known as Moby-Dick. A haunting exploration of obsession, *Moby-Dick* has been adapted for film, television and stage as well as graphic novels and radio.

This Norton Critical Edition includes:* Melville's classic novel of whaling and revenge, based on Hershel Parker's revision of the 1967 text edited by Harrison Hayford and Hershel Parker.* Twenty-six illustrations, including maps, contemporary engravings, and diagrams of whaleboat rigging.* Background and source materials centering on whaling and whalecraft, Melville's international reception, the inspirations for Moby-Dick, and Melville's related correspondence.* Forty-four reviews and interpretations of the novel spanning three centuries.* A revised and updated Selected Bibliography. About the Series Read by more than 12 million students over fifty-five years, Norton Critical Editions set the standard for apparatus that is right for undergraduate readers. The three-part format--annotated text, contexts, and criticism--helps students to better understand, analyze, and appreciate the literature, while opening a wide range of teaching possibilities for instructors. Whether in print or in digital format, Norton Critical Editions provide all the resources students need.

Johanna Morrigan (aka Dolly Wilde) has it all: she is nineteen, lives in her own flat in London, and writes for the coolest music magazine in Britain. Her star is rising, just not quickly enough for her liking. Then John Kite, Johanna's unrequited love, has an album go to number one. Suddenly John exists on another plane of reality: that of the Famoses, a world of rabid fans and VIP access. Johanna lacks the traditional trappings of fame (famous parents, mind-scorching hotness, exotic sandals, etc.), so she does the only thing a self-respecting Lady Sex Adventurer can do. She starts a magazine column critiquing the lives and follies of the Famoses around her. But as Johanna skyrockets to fame herself, she begins to realize that with celebrity comes sacrifice, and hers may mean giving up the one person she was determined to keep. For anyone who has been a girl or known one, who has admired fame or judged it, *How to Be Famous* is a big-hearted, hilarious tale of fame and fortune—and all that they entail.
