The feelgood, uplifting, fabulous new book from Kindle bestseller Eva Woods. Perfect for fans of Lucy Diamond, Lucy Dillon and Rowan Coleman. In our lives we'll meet something like eighty thousand people. Most of them just in passing, sitting beside them on a bus, buying a latte from them, overtaking them too fast on the motorway. Others will become friends, lovers, family. Some will stay in our lives forever, and some will be swept away by the flow of life. But we touch all of these people in some way, tiny or huge, making more of a difference than any of us can imagine. Rosie is in a coma, unable to reach out to the world or communicate. She only has one chance to make it back to consciousness - but she's slipping deeper and deeper into a maze of memories and it's going to be hard to find her way out. Daisy, Rosie's sister, is devastated by the accident. She's always been the good, dependable girl to Rosie's free spirit - but some of Rosie's attitude seems to be creeping into Daisy's dull existence. Can Daisy find the courage to be herself? It only takes one tiny step to change a life forever...

It's not easy being happy in today's world. Let's face it, most people don't enjoy their lives much. Between their jobs, money worries, too many things to do, and too little time, most people are lucky to have one hour of happiness a week. Don't settle for that! Even if you have a pretty good life, maybe a B+, you can have more. You can build the life you want and be happy. It's not a trick or a scam, it's not a bunch of silly nonsense you tell yourself and try to believe, and it's not outside your power. It's real, and it's a gift you can give yourself. What you'll learn inside:

- \* The roots of unhappiness and 6 common mistakes people make when seeking happiness
- \* The mechanics of happiness and how it really works
- \* 10 faulty assumptions that may be holding you back
- \* How to let go of old memories, thoughts, and beliefs that stand in your way
- \* 10 tools you can use to create genuine happiness now
- \* How to build purpose and meaning into your life (no religion needed)
- \* How to go from stressed out to chilled out
- \* How to feel great and enjoy life on an everyday basis

This book will tell you how you can be truly, genuinely happy on a daily basis. I've gathered the best from academic research, books, and my own experience to create this simple yet comprehensive happiness guide so you can start living a happier life today.

Life's too short to be unhappy at work "I'm working harder than I ever have, and I don't know if it's worth it anymore." If you're a manager or leader, these words have probably run through your mind. So many of us are feeling fed up, burned out, and unhappy at work: the constant pressure and stress, the unending changes, the politics--people feel as though they can't give much more, and performance is suffering. But it's work, after all, right? Should we even expect to be fulfilled and happy at work? Yes, we should, says Annie McKee, coauthor of the bestselling Primal Leadership. In her new transformative book, she makes the most compelling case yet that happiness--and the full engagement that comes with it--is more important than ever in today's workplace, and she sheds new light on the powerful relationship of happiness to individual, team, and organizational success. Based on extensive research and decades of experience with leaders, this book reveals that people must have three essential elements in order to be happy at work: A sense of purpose and the chance to contribute to something bigger than themselves A vision that is powerful and personal, creating a real sense of hope Resonant, friendly relationships With vivid and moving real-life stories, the book shows how

leaders can use these powerful pillars to create and sustain happiness even when they're under pressure. By emphasizing purpose, hope, and friendships they can also ensure a healthy, positive climate for their teams and throughout the organization. How to Be Happy at Work deepens our understanding of what it means to be truly fulfilled and effective at work and provides clear, practical advice and instruction for how to get there--no matter what job you have.

Author and illustrator Lee Crutchley brings his lively interactive approach to a little-discussed but very common issue: the struggle with depression and anxiety. Through a series of supportive, surprising, and engaging prompts, HOW TO BE HAPPY (OR AT LEAST LESS SAD) helps readers see things in a new light, and rediscover simple pleasures and everyday joy...or at least feel a little less sad. By turns a workbook, trusted friend, creative outlet, security blanket, and secret diary, the pages of this book will offer solace, distraction, engagement, a fresh perspective, and hopeful new beginnings--for readers of all ages and walks of life.

For most people happiness occurs when a set of ideal circumstances fall into place. This type of happiness is illusory and subject to external forces beyond the average person's control. Happiness based on external factors that change from moment to moment produce a rollercoaster of emotions. In How To Be Happy Regardless you will learn how to take charge of your life by releasing internal forces as a shield of protection from the ever-changing situations of daily living. Regardless means in spite of or without concern. The purpose of this book is to learn to be happy in spite of circumstances. For every reason to be unhappy there are an equal, and in many cases, greater and other reasons to be happy. Being Happy Regardless requires a redirection of focus toward the things that facilitate happiness while simultaneously deemphasizing the influence of circumstances that lead toward your unhappiness. This book contains a blueprint, and when followed, could produce change. Being happy doesn't mean the absence of problems, but rather the ability to manage how well you deal with and work your way through problems. By following the instructions outlined in this book happiness will become a vibrant force for day-to-day living, regardless.

What brings us real and lasting happiness? Although just about every marketing firm, self-help guru, and man on the street has an answer, very few, if any, understand true happiness. It doesn't come from power, pleasure, popularity, or possessions. So what is happiness and how do we find it? In How to Be Happy, author Matt Fradd relies on the help of St. Thomas Aquinas to show what will—and what won't—bring us happiness in this life. By making the thought of Aquinas utterly accessible for today, How to Be Happy is an invaluable guide to a good life.
