The Fire Stick is a small USB-like device that has revolutionized the idea of a Smart TV. Kodi, on the other hand, is a 'streaming software' that helps you watch whatever you want, from movies to shows. It isn't possible for everyone to buy streaming services such as Netflix or Hulu and that's where Kodi comes in the picture. You can enjoy any show or movie that you want on your TV without paying for it. This is a guide that covers everything from installing your Fire Stick to getting Kodi to function on your device. This guide has been simplified so that even beginners can understand without facing any difficulty. If you're an expert and have already setup Kodi you can still make use of this book to take your Fire Stick experience to the next level. This book is a compilation of all the relevant information that you need to know about Fire Stick and Kodi. It goes even further and discusses things such as the detailed configuration of Kodi and add-ons, which will act as improvements for your Fire Stick.The book has been written with a logical sequence; starting with basics about the Fire Stick, followed by a detailed outline of Kodi and its configuration and the various things that you can use to enhance your experience. This book will help you to understand and use your Fire Stick in a more efficient manner. There is even a section on troubleshooting so that you don't have to look anywhere else if you have queries. So let us begin. I want to thank you for choosing this book and I hope that it helps you understand the subject better and makes you a pro at using the software.
