?Korea: The Impossible Country on Apple Books

Anyway, I think North Korea is 'impossible' for pretty obvious reasons, but regarding the South, there are two sides to it.. the first is the classic 'Korean miracle' story: one of my interviewees, an ex-advisor to Park Chung-hee, said 'we were the poorest, most impossible country on the planet', in reference to how miserable a state this country was in just fifty years ago. It would have been impossible really to imagine South Korea becoming what it is today, a wealthy democracy ...
