It is a sombre scene, but one that could easily be a depiction of a funeral in the late Iron Age. Yet this image is a reconstruction of life and death in the early Romano- British countryside. Seemingly little has changed, but appearances are deceptive. The text comprises six principal chapters, book-ended by an introduction and conclusion.

The Life and Death of Colonel Blimp is a 1943 romantic drama war film written, produced and directed by the British film making team of Michael Powell and Emeric Pressburger. It stars Roger Livesey, Deborah Kerr and Anton Walbrook. The title derives from the satirical Colonel Blimp comic strip by David Low, but the story itself is original.

The psalmist valued his life for the opportunity it afforded to him to worship God, and the real tragedy of death was that his worship, so long enjoyed as the essence of life, would be silenced. These verses are not a commentary on death or the afterlife so much as they are a commentary on the real value and true essence of life in this world.

single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the bitingly satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully epigrammatic, Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition.

The final literary testament of "one of the most innovative, brilliant novelists in the Western World" (New York Times), *Between Life and Death* is a startling, brave, funny, and poetic autobiographical novel about the four months Yoram Kaniuk spent in a coma near the end of his life. In *Between Life and Death*, celebrated Israeli writer Yoram Kaniuk relives the four months during which he lay unconscious in a Tel Aviv hospital, hovering between the worlds of the living and of the dead. With an arresting, dreamlike style that blends playfulness with fearless honesty, Kaniuk attempts to penetrate his own lost consciousness. Shifting between memory and illusion, imagination and testimony, Kaniuk explores the place of death in society, his own lust for life,

and the encompassing struggles of the twentieth century. He writes about the colorful characters of his childhood neighborhood, battles in the 1948 War of Independence, and his defiant voyages across the Mediterranean on ships packed with Jewish refugees from war-torn Europe. With renewed vitality at the age of seventy-four, Kaniuk announced his rebirth with *Between Life and Death*, and left us a treasure of world literature that is destined for immortality. How can one even review the final work of a writer as rewarding, innovative, and rebellious as Kaniuk?... Kaniuk's achievement is inconceivable and awe-inspiring: at the age of seventy-seven, with a broken body, after his soul almost parted from this life, he managed to pull himself together for a short while, get back to his writing

"Nimbly splices together history, science, reporting and personal experiences into a taut and cautiously hopeful narrative. Egan's book is bursting with life (and yes, death)."

Robert Moor, New York Times Book Review The Great Lakes—Erie, Huron, Michigan, Ontario, and Superior—hold 20 percent of the world's supply of surface fresh water and provide sustenance, work, and recreation for tens of millions of Americans. But they are under threat as never before, and their problems are spreading across the continent. The Death and Life of the Great Lakes is prize-winning reporter Dan Egan's compulsively readable portrait of an ecological catastrophe happening right before our eyes, blending the epic story of the lakes with an examination of the perils they face and the ways we can restore

Are you alive? Most people believe that some law defines our status as living (or not) for all purposes. But Foley shows that "not being dead" isn't necessarily the same as being alive, in the eyes of the law. The need for more organ transplants and conservation of health care resources is exerting pressure to expand the legal definition of death.

on the line. Joe Lattimore, homeless and trying desperately to provide for his young family, agrees to fight in a no-holds-barred illegal bout, only to have his opponent die. Lattimore now finds himself at the mercy of the fight's organizers who blackmail him into burglarizing a house. However, when he breaks in, he finds a murdered woman on the floor and the police have received an anonymous tip naming him the murderer. Robin Lockwood, an increasingly prominent young attorney and former MMA fighter, agrees to take on his defense. But the case is seemingly airtight—the murdered woman's husband, Judge Anthony Carasco, has an alibi and Lattimore's fingerprints are discovered at the scene. But everything about the case is too easy, too pat, and Lockwood is convinced that her client

□A thoughtfully observed travel memoir and history as richly detailed as it is deeply felt□ (Kirkus Reviews) of South America, from Butch Cassidy to Che Guevara to cocaine king Pablo Escobar to Charles Darwin, all set in the Andes Mountains. The Andes Mountains are the world's longest mountain chain, linking most of the countries in South America. Kim MacQuarrie takes us on a historical journey through this unique region, bringing fresh insight and contemporary connections to such fabled characters as Charles Darwin, Che Guevara, Pablo Escobar, Butch Cassidy, Thor Heyerdahl, and others.

He describes living on the floating islands of Lake Titcaca. He introduces us to a Patagonian woman who is the last living speaker of her language. We meet the woman who cared for the wounded Che Guevara just before he died, the police officer who captured cocaine king Pablo Escobar, the dancer who hid Shining Path guerrilla Abimael Guzman, and a man whose grandfather witnessed the death of Butch Cassidy. Collectively these stories tell us something about the spirit of South America. What makes South America different from other continents—and what makes the cultures of the Andes different from other cultures found there? How did the capitalism introduced by the Spaniards change South America? Why did Shining Path leader Guzman nearly succeed in his revolutionary
