Life On The Street
Homicide: Life on the Street is an American police procedural television series chronicling the work of a fictional version of the Baltimore Police Department's Homicide Unit. It ran for seven seasons (122 episodes) on NBC from January 31, 1993 to May 21, 1999, and was succeeded by Homicide: The Movie (2000), which served as the de facto series finale.

Homicide: Life on the Street - Wikipedia
Richard Belzer (John Munch), Kyle Secor (Tim Bayliss), Yaphet Kotto (Lt. Al Giardello), Clark Johnson (Meldrick Lewis) and Sharon Ziman (Naomi) are the only actors to appear in both the first and last episodes of the series: Homicide: Life on the Street: Gone for Goode (1993) and Homicide: Life on the Street: Forgive Us Our Trespasses (1999).

Homicide: Life on the Street (TV Series 1993–1999) - IMDb
Considered the most realistic cop drama ever aired, Homicide: Life on the Street gives viewers a unique cops'-eye view of one of the most challenging jobs imaginable.Created by Writer/Director Tom Fontana (St. Elsewhere, OZ) and Executive Producer Barry Levinson (The Perfect Storm, Oz) and based on David Simon's (The Wire) book Homicide: A Year on the Killing Streets, HOMICIDE features TV's most powerful ensemble cast, including Richard Belzer (Law and Order: Special Victims Unit), Emmy ...

Shockingly, the life expectancy of a rough sleeper is 47 years, and for many of those, living on the streets is an existence, not a life. The increasingly familiar sight of rough sleepers in our communities may evoke sympathy and compassion, unease or, in some cases, suspicion and hostility. Many questions come to mind.

The life the children lead, much as they may treasure their “freedom”, is not what children should lead. They need to be reached out to. As a society, we continue to live in mass denial. The presence of children on the streets has become ‘normalized’ to such an extent that their existence has become almost ‘invisible’.

Homicide: Life on the Street is a highly acclaimed American television police procedural series chronicling the work of a fictional Baltimore Police Department homicide unit.

A man calling himself Joe Homeless relates the story of the ten years he spent roaming the streets of Manhattan's East Side, where he survived hunger, freezing temperatures, and physical abuse until he found friends who believed in him
--

Intelligent writing, intense characters, a dark sense of humor, innovative editing, and complex plots--Homicide: Life on the Street has raised the caliber of television police drama Homicide: Life on the Street is addictive television. Each week we watch to see who Detective Pembleton will spar with in "the Box," or what conspiracy theories Detective Munch will be espousing as the truth, but more than anything we tune in to see the gritty reality that makes this show the best police drama to ever grace the small screen. There aren't any car chases, rarely any shootouts, and sometimes the cases don't get solved. Instead, these detectives keep their clothes on, have a relentlessly morbid sense of humor, and catch the criminals because they have brains, not necessarily brawn. In other words, they're real. Homicide: Life on the Street, The Unofficial Companion by David P. Kalat--the first and only full-length guide to this Emmy Award-winning and three-time Peabody Award-winning television series--brilliantly captures the essence of this groundbreaking show. You'll Learn About: famed filmmaker Barry Levinson's decision to bring Homicide to television instead of making a film of David Simon's novel Homicide: A Year on the Killing Streets the behind-the-scenes anecdotes about cast regulars, including the onscreen clutches that led to offscreen romances the producers' many battles with the network suits over poor placement in the schedule, and the series' repeated trips to the land known as hiatus cast casualties--why they left or were let go the esteemed cast--including Andre Braugher, Ned Beatty, Daniel Baldwin, and Yaphet Kotto, among others--the characters they've created, and their beyond-Homicide careers season-by-season critiques of each episode Revealing, resourceful, and thoughtful, Homicide: Life on the Street, the Unofficial @Companion is a must-have for any fan!

For the past 16 years, Cadillac Man (so named because he was once hit by an El Dorado and thereafter bore an imprint of its hood ornament) has lived on the streets of New York City. Over those years, he has recorded the facts of his daily life - the harsh realities of surviving on the street, the often tragic encounters with the non-homeless world, the deep bonds with his fellow homeless, and the surprisingly varied realities of life on the outside - writing hundreds of thousands of words in a series of spiral bound notebooks. "My Life in the Streets" distills those journals into a memoir of homeless life that is peopled with indelible characters and packed with gripping stories. In a gritty, poignant, and funny voice, Cadillac narrates his descent into homelessness, the travails and unexpected freedoms of his life, and the story of his love affair with a young runaway, whom he eventually (and tragically) reunites with her family. The United States has 700,000 homeless people; ultimately, Cadillac's story is their story.

From the creator of HBO's *The Wire*, the classic book about homicide investigation that became the basis for the hit television show *The Wire*. The scene is Baltimore. Twice every three days another citizen is shot, stabbed, or bludgeoned to death. At the center of this hurricane of crime is the city's homicide unit, a small brotherhood of hard men who fight for whatever justice is possible in a deadly world. David Simon was the first reporter ever to gain unlimited access to a homicide unit, and this electrifying book tells the true story of a year on the violent streets of an American city. The narrative follows Donald Worden, a veteran investigator; Harry Edgerton, a black detective in a mostly white unit; and Tom Pellegrini, an earnest rookie who takes on the year's most difficult case, the brutal rape and murder of an eleven-year-old girl. Originally published fifteen years ago, *Homicide* became the basis for the acclaimed television show of the same name. This new edition—which includes a new introduction, an afterword, and photographs—revives this classic, riveting tale about the men who work on the dark side of the American experience.

Booker T. Washington spent his entire adult life empowering and uplifting his race. Now, ninety years after his death, two of his great-granddaughters, Gloria Yvonne Jackson and Sarah O'Neal Rush, have come together to pay special tribute to the life that he led, and to celebrate the 150th anniversary of his birth. This book is a compilation of some of their great-grandfather's most inspiring quotations, corresponding to and confirming scriptures from their favorite book, the Holy Bible, along with their own personal testimonies and writings. It is their tribute to this extraordinary man. Page after page delivers wisdom in the form of quotations and scriptures addressing every facet and all walks of life, including character building, race relations, rising above circumstances, the value of education, and business ownership. Be blessed, inspired, and informed as you read on topics addressing the whole person, be it spirit, soul, or body. It is the strong belief of these two first cousins that the publication of this book was a divine call on their lives for such a time as this, and that each reader will discover the timeliness of the wisdom contained in this volume. By revisiting and highlighting the achievements and the legacy of their great-grandfather, it is their prayer that they are contributing in a positive way toward making a difference in today's challenging times.

Life on the Malecón is a narrative ethnography of the lives of street children and youth living in Santo Domingo, Dominican Republic, and the non-governmental organizations that provide social services for them. Writing from the perspective of an anthropologist working as a street educator with a child welfare organization, Jon M. Wolseth follows the intersecting lives of children, the institutions they come into contact with, and the relationships they have with each other, their families, and organization workers. Often socioeconomic conditions push these children to move from their homes to the streets, but sometimes they themselves may choose the allure of the perceived freedoms and opportunities that street life has to offer. What they find, instead, is violence, disease, and exploitation—the daily reality through which they learn to maneuver and survive. Wolseth describes the stresses, rewards, and failures of the organizations and educators who devote their resources to working with this population. The portrait of Santo Domingo's street children and youth population that emerges is of a diverse community with variations that may be partly related to skin color, gender, and class. The conditions for these youth are changing as the economy of the Dominican Republic changes. Although the children at the core of this book live and sleep on avenues and plazas and in abandoned city buildings, they are not necessarily glue- and solvent-sniffing beggars or petty thieves on the margins of society. Instead, they hold a key position in the service sector of an economy centered on tourism. Life on the Malecón offers a window into the complex relationships children and youth construct in the course of mapping out their social environment. Using a child-centered approach, Wolseth focuses on the social lives of the children by relating the stories that they themselves tell as well as the activities he observes.

A preadolescent runaway describes the violence and trauma that marked her early life before the unexpected kindness of a teacher helped her to get off the streets and pursue a master's degree, tracing her subsequent dedication to helping other at-risk youth. 20,000 first printing.

Unsparring and important. . . . An informative, clearheaded and sobering book.—Jonathan Yardley, *Washington Post* (1999 Critic's Choice) Inner-city black America is often stereotyped as a place of random violence, but in fact, violence in the inner city is regulated through an informal but well-known code of the street. This unwritten set of rules—based largely on an individual's ability to command respect—is a powerful and pervasive form of etiquette, governing the way in which people learn to negotiate public spaces. Elijah Anderson's incisive book delineates the code and examines it as a response to the lack of jobs that pay a living wage, to the stigma of race, to rampant drug use, to alienation and lack of hope.

A New York Times Bestseller "Sciolino's sharply observed account serves as a testament to...Paris—the city of light, of literature, of life itself." —The New Yorker Elaine Sciolino, the former Paris Bureau Chief of the New York Times, invites us on a tour of her favorite Parisian street, offering an homage to street life and the pleasures of Parisian living. "I can never be sad on the rue des Martyrs," Sciolino explains, as she celebrates the neighborhood's rich history and vibrant lives. While many cities suffer from the leveling effects of globalization, the rue des Martyrs maintains its distinct allure. On this street, the patron saint of France was beheaded and the Jesuits took their first vows. It was here that Edgar Degas and Pierre-Auguste Renoir painted circus acrobats, Emile Zola situated a lesbian dinner club in his novel *Nana*, and François Truffaut filmed scenes from *The 400 Blows*. Sciolino reveals the charms and idiosyncrasies of this street and its longtime residents—the Tunisian greengrocer, the husband-and-wife cheesemongers, the showman who's been running a transvestite cabaret for more than half a century, the owner of a 100-year-old bookstore, the woman who repairs eighteenth-century mercury barometers—bringing Paris alive in all of its unique majesty. *The Only Street in Paris* will make readers hungry for Paris, for cheese and wine, and for the kind of street life that is all too quickly disappearing.

Analysis of race, racism, and the criminal justice system on *Homicide: Life on the Street*.
