New Journals: 1075 titles will receive their first Journal Impact Factor in 2010 data (view the list here). This large number is the result of two recent initiatives at Thomson Reuters. 1) The expansion of coverage to align to the increasingly global population of users of Web of Science™ (read more here). Many of the journals identified through this project were added to coverage with their 2008 issues; in 2010, we now have a complete three years of source materials – enough to publish ...
