Love is the greatest gift we have to give our children. It's the one thing they can carry with them each and every day. If love could take shape it might look something like these heartfelt words and images from the inimitable Nancy Tillman.

Wherever You Are

is a book to share
with your loved
ones, no matter

how near or far,
young or old, they
are.

All families change
over time.

Sometimes a baby
is born, or a grown-
up gets married.

And sometimes a

child gets a new foster parent or a new adopted mom or dad. Children need to know that when this happens, it's not their fault.

They need to understand that they can remember and value their birth family and love their new family, too.

Straightforward words and full-color illustrations offer hope and support for children facing or experiencing change. Includes resources and information for birth parents, foster parents, social workers, counselors, and teachers.
