Mad Dog: The Rise and Fall of Johnny Adair and 'C Company' describes in graphic detail Adair's criminal empire and an egomaniac's bloody war against Catholics and anybody else who got in his way. Adair's friends and enemies talk for the first time about the murders he ordered, his sordid personal life, and his attempts - ultimately disastrous - to become Northern Ireland's supreme loyalist figurehead.

Jonathan Adair (born 27 October 1963), [citation needed] better known as Johnny Adair or Mad Dog Adair, is an Ulster loyalist and the former leader of the "C Company", 2nd Battalion Shankill Road, West Belfast Brigade of the Ulster Freedom Fighters (UFF). This was a cover name used by the Ulster Defence Association (UDA), a loyalist paramilitary organisation.

## Johnny Adair - Wikipedia

Adair, 39, was the UDA's most notorious terrorist; police sources blame his Shankill Road C company for the murders of dozens of Catholics in the late 1980s and early 1990s. Despite his fearsome...

A mindless sectarian psychopath or a loyalist folk hero who took the war to the IRA's front door? The name Johnny 'Mad Dog' Adair is synonymous with a killing spree by loyalist terrorists that took Northern Ireland to the brink of civil war. From humble beginnings as a rioter and glue-sniffer on Belfast's Shankill Road, Adair rose through the ranks of the outlawed Ulster Freedom Fighters to head its merciless killing machine, 'C Company'. Surrounded by a group of trusted friends, his reign of terror in the early 1990s claimed the lives of up to 40 Catholics, picked out at random as Adair's hitmen roamed Belfast. Determined to lead from the front, his men even fired a rocket at Sinn Fein's headquarters, writing themselves into loyalist mythology and embarrassing the IRA in its republican heartland. Its desperate attempts to kill Adair

culminated in October 1993, when a bomb on the Shankill Road, intended for the loyalist godfather, claimed the lives of nine Protestant civilians. Mad Dog: The Rise and Fall of Johnny Adair and 'C Company' describes in graphic detail Adair's criminal empire and an egomaniac's bloody war against Catholics and anybody else who got in his way. Adair's friends and enemies talk for the first time about the murders he ordered, his sordid personal life, and his attempts - ultimately disastrous - to become Northern Ireland's supreme loyalist figurehead.

The true story of one of pro wrestling's most charismatic, feared, and beloved icons Who was Maurice the man, and who was Mad Dog the character? Maurice "Mad Dog" Vachon was a gold medalist, a pro-wrestling legend, and a pop culture icon - but he was also a son, husband, and father. Mad Dog explores Vachon's career and personal struggles with painstakingly detailed historical research and through both Maurice's own recollections and those of the people who knew him best. As a young man, Maurice could have chosen a dark criminal path, but then wrestling and family changed him. Chronicling his slow but steady rise to prominence across America and internationally in some of pro wrestling's most important territories, this in-depth biography shows how Vachon's life came to be defined by the words of Mark Twain: "It's not the size of the dog in the fight, it's the size of the fight in the dog." Fiercely proud, motivated, and supremely talented, Vachon's story is also the amazing tale of how a lifelong make-believe heel became a real-life hero outside of the ring. With a foreword by his brother, Paul Vachon, and an afterword by his widow, Kathie Vachon.

Rustom Readymoney is an ambitious young Parsi who wants to be the biggest opium trader of Bombay standing against

# Read Free Mad Dog The Rise And Fall Of Johnny Adair And C Company

the opium baron Hirji Dorabji who will do anything to stop Rustom in his quest to find the truth about his father's death. Rehana, the beautiful daughter of Hirji is in love with Rustom. Henry, the ruthless strategist sent to stop the Malwa Opium trade that is hurting the East India Company wants to make Rehana his. Set in the 19 th century India, the story spans many geographies across India and China. As Rustom's ambition pits him against the company. Characters from across the globe get entwined in this juggernaut as destinies of Williams- an American and Lee Chung -a Chinese get entwined with Rustom and his desire to found the biggest opium empire and dig out the secret behind his father's death. The company to show its supremacy hits at Bombay citizens by killing their pet dogs and the citizens rise against them to protect the street dogs of Bombay as the story races towards a Bloodcurdling climax.

Once upon a time there was an innocent lad from West Texas who wrote a novel and fell in with a rabble of Texas writers as they were bridging the literary gap between J. Frank Dobie and his paisanos and the current bumper crop of Texas writers who seem to be everywhere writing about everything. This rowdy rabble of gap bridgers bonded in a sort of literary and social club they called Maddog Inc. (Motto: Doing indefinable services to mankind.) But our hero managed to live through it all anyway. This is his story. Jay Milner was part of a generation of Texas writers whose heyday lasted from the late 1950s through the 1970s. The group comprised Billie Lee Brammer, Edwin "Bud" Shrake, Gary Cartwright, Dan Jenkins, Larry L. King, Pete Gent, and (peripherally) Larry McMurtry and Willie Morris, among others. From the musical scene there were the "picker poets" such as Willie Nelson, Jerry Jeff Walker, Guy Clark, Billy Joe Shaver, and Waylon Jennings. Some of the primary works coming from

# Read Free Mad Dog The Rise And Fall Of Johnny Adair And C Company

this generation of writers include Brammer's *The Gay Place*, Shrake's *Strange Peaches*, Cartwright's *Confessions of a Washed-up Sportswriter*, King's *The Whorehouse Papers* and *None But a Blockhead*, Jan Reid's *The Improbable Rise of Redneck Rock*, and Willie Nelson's album *Phases and Stages*.

The result is a probing history of medicine that details the social world of New York physicians, their ideas about a rare and perplexing disorder, and the struggles of an ever-changing, ever-challenging urban society.

Traces the rise and fall of Jeff Beck, the Wall Street legend and junk-bond dealmaker who used his connections with Drexel Burnham Lambert to make millions until his high-flying firm collapsed

A fascinating history of one of the hottest wrestling territories of all time Montreal was the proving ground for some of the biggest names in wrestling, including Andre the Giant, Abdullah the Butcher, and the infamous Mad Dog Vachon; it was the site of the first midget battle ever; and made famous worldwide for the infamous Survivor Series screw job that saw Vince McMahon, the Heartbreak Kid Shawn Michaels, and Bret Hart create the "attitude" that reshaped the business. *Mad Dogs, Midgets and Screw Jobs* is the ultimate guide to Montreal's legendary place in professional wrestling history. Get the lowdown on all the major wrestlers who made their name in the territory, from Yvon Robert, the Rougeaus, and Gino Brito to edouard Carpentier. With a detailed account of the promotional war between the Rougeaus' AllStar Wrestling and the Vachons' Grand Prix, a complete history of

# Read Free Mad Dog The Rise And Fall Of Johnny Adair And C Company

how wrestling developed on Montreal TV, and an investigation of the murder of Dino Bravo, this book demonstrates how much of what has happened in wrestling, just may have happened first in Montreal.

A behind-the-scenes look at the most powerful voices on New York's AM dial, this is the all-encompassing history of WFAN. Created in 1987, WFAN was the nation's first 24-hour, all sports radio station and this work recounts how, a quarter-century later, it is the highest-rated station in New York and the home to many unforgettable radio personalities past or present, including Don Imus, Chris "Mad Dog" Russo, Mike Francesa, and Boomer Esiason. Seasoned journalist Tim Sullivan provides an account that soaks itself in the history, impact, egos, fans, and all the controversies of WFAN, making it an enthralling read for any sports fan.

What was so fascinating about this Prohibition-era gangster? After all, dozens of such hoods roamed the streets of New York City in those desperate and violent years. But Vincent Coll took street violence to another level. He was a fearless soldier who became a leader. He forced Dutch Schultz, one of the toughest gang leaders of the era, into hiding. Coll and his crew revolutionized the art of the drive-by shooting, which is still used today by modern street gangs. His kidnapping schemes targeted other gangsters, who couldn't go to the cops. He systematically cut down his opposition, even though he was outnumbered by more than ten to one. Then there was the real brains behind the Coll gang -- a woman. Known by the name Lottie Kreisberger, she was the quintessential gun moll and, when teamed with Vincent Coll, set their destiny for either greatness or disaster. In 1931, the year of the bloodiest gang war in New York City up until that time, Coll emerged as front-page news, with the roughest and

# Read Free Mad Dog The Rise And Fall Of Johnny Adair And C Company

toughest gangsters in the five boroughs running for cover from this ruthless and fearless killer and as the New York City Police Department hunting him as Public Enemy Number One. Coll's arrest, trial, and acquittal, and his murder in a drugstore phone booth at the tender age of 23, all served as inspiration to writers of gangster films that followed. The authors combine the meticulous research of investigative journalism with a novelist's flair for plot, character, setting, and style to make Mad Dog Coll as entertaining as it is informative.
