This text is unique in its first-person, discovery learning approach using a 4-step decision-making model throughout. It truly conveys a management perspective, by including coverage of topics such as ABM, the value chain and balanced scorecard evaluation techniques. It is also the first managerial text to incorporate coverage on knowledge management (Ch. 13) highlighting the latest developments for improved managerial decision making.

This combination title is the ideal learning solutions for accounting courses covering both financial and managerial accounting. The fourth edition of Financial Accounting: The Impact on Decision Makers holds true to the original vision of teaching accounting from both the preparer and user perspective, but with an expanded focus on showing students a Roadmap to Success. To lead students to a full understanding of the impact of financial statements on business decision-making, the authors use the financial statements from Winnebago Industries throughout. Relying on the text's trademark innovative pedagogy, instructors can prepare business majors and accounting majors alike for future business success. Managerial Accounting, 2e features a four-step decision-making model throughout, this text is unique in its first-person exploratory approach. It conveys a true management perspective-offering coverage of contemporary topics such as ABM, the value chain, and balanced scorecard evaluation techniques. Jackson is also the first managerial text to incorporate coverage of knowledge management (Chapter 13)--highlighting the latest developments for improved managerial decision making.

The emphasis of MANAGERIAL ACCOUNTING: A FOCUS ON ETHICAL DECISION MAKING, 5E, is decision making as opposed to number crunching. In addition, this text uses a unique five-step decision-making model throughout. To encourage discovery learning, this text links discussion and assignments in managerial decision making by (1) using realistic and interesting companies in each chapter; (2) using a five-step decision-making model; (3) requiring students to analyze, predict, and extend the solution to assignment materials to make business decisions; and (4) making extensive use of qualitative information. This book conveys a management perspective by including coverage of topics such as ABM, the value chain, and balanced scorecard evaluation techniques. It is also the first managerial text to incorporate coverage on knowledge management, highlighting the latest developments for improved managerial decision making. The fifth edition continues its emphasis on ethics and corporate governance, which are so important in today's business environment. Jackson/Sawyers/Jenkins empowers students to make sound decisions with solid analysis.
