The Recording of Musical Numbers for Musical Films by John Cunningham 1997. The classic and usual technique was to pre-record all the

Acces PDF Movie Musicals On Record A Directory Of Recordings Of Motion Picture

songs before actual production of the film. This was done for several reasons, the main one being that during a musical number people are typically moving around a great deal, and if it were recorded with a boom (overhead) microphone during shooting, the distance between the singer -- usually doing some sort of dance moves -- and the microphone would ...
