about quality and the story you tell that adds value to that bird.

~~How to raise  
pastured poultry for  
profit | WATTAgNet~~

Pastured poultry operations should “ net much more per bird than in a conventional poultry system. ” With little

## Where To Download

sanitation problems on pasture, there is no need for antibiotics and little loss from illness.

Forages provide the birds with much of their nutritional needs, and there are very minimal startup costs, according to Spencer.
