If your child is struggling with science, then this book is for you; the short book covers the topic and also contains science experiments to work with, and over 40 quiz questions. This subject comes from the book “ Second Grade Science (For Homeschool or Extra Practice) ” ; it more thoroughly covers more third grade topics to help your child get a better understanding of second grade math. If you purchased that book, or plan to purchase that book, do not purchase this, as the problems are the same.
