At the completion of these eight lessons you will comfortably understand and speak Greek at a beginner level. Learn at your own pace, comfortably and conveniently. No books to study. No memorisation drills. You learned English by listening. With Pimsleur, you listen to learn another language. This Language Programme was developed by renowned memory expert, Dr. Paul Pimsleur. His research led him to the realisation that the most important use of memory is in language learning. Based on this, Dr. Pimsleur designed a learning Programme that works for any language. The Pimsleur Language Programme is an integrated system which immerses you in the language, encouraging you to hear, understand and use the language all at the same time.

Explains how to learn foreign languages, offering practical advice for overcoming the obstacles.

'The Delights of Learning Turkish' is a self-study course book that takes the learner from the beginner level to the intermediate level in Turkish. It is designed for English speakers, targeting adult and young adult learners; especially for those planning to settle and live in Turkey or visiting Turkey for business or pleasure. It is a comprehensive, explanatory approach to Turkish language teaching how to construct and use the language both in formal and colloquial forms with dialogues, examples, grammar points, vocabulary and exercises. It shows the grammatical structures in detail with examples, which enables the learners to make their own sentences instead of depending on off-the-shelf phrases. In the book, you can also find general information about the Turkish alphabet and Turkish language as well as notes on Turkish culture in daily life. Covering so many language points, this book is also a grammar reference that targets a wide range of audience including advanced learners. At the end of the book, you will find the keys to the exercises. There are also Turkish - English and English - Turkish glossary sections as well as Turkish proverbs and idioms added to the book with explanations.

The Easiest and Fastest Way to Learn Russian Whether you want to travel, communicate with friends or colleagues, reconnect with family, or just understand more of what 's going on in the world around you, learning Russian will expand your horizons and immeasurably enrich your life. learning. - Cost-effective – Less expensive than classes or immersion, and features all native speakers. - Genius – Triggers your brain's natural aptitude to learn. - Works for everyone – Recommended for ages 13 and above. What's Included? - 30, 30-minute audio lessons - 60 minutes of reading instruction to provide you with an introduction to reading Russian designed to teach you to sound out words with correct pronunciation and accent - In total, 16 hours of audio, all featuring native speakers - a Reading Booklet and a User's Guide What You'll Learn In the first 10 lessons, you'll cover the basics: saying hello, asking for or giving information, scheduling a meal or a meeting, asking for or giving basic directions, and much more. You'll be able to handle minimum courtesy requirements, understand much of what you hear, and be understood at a beginning level, but with near-native pronunciation skills. In the next 10 lessons, you'll build on what you've learned. Expand your menu, increase your scheduling abilities from general to specific, start to deal with currency and exchanging money, refine your conversations and add over a hundred new vocabulary items. You'll understand more of what you hear, and be able to participate with speech that is smoother and more confident. In the final 10 lessons, you'll be speaking and understanding at an intermediate level. In this phase, more directions are given in the Russian language, which moves your learning to a whole new plane. Lessons include shopping, visiting friends, going to a restaurant, plans for the evening, car trips, and talking about family. You'll be able to speak comfortably about things that happened in the past and make plans for the future. Reading Lessons are included at the end of Lesson 30 to provide you with an introduction to reading the Russian alphabet. These lessons, which total about one hour, are designed to teach you to sound out words with Russian pronunciation and accent. A Reading Booklet to be used with the audio lessons is also included in PDF format. The Pimsleur Method We make no secret of what makes this powerful method work so well. Paul Pimsleur spent his career researching and perfecting the precise elements anyone can use to learn a language quickly and easily. Here are a few of his "secrets": The Principle of Anticipation In the nanosecond between a cue and your response, your brain has to work to come up with the right word. Having to do this boosts retention, and cements the word in your mind. Core Vocabulary Words, phrases, and sentences are selected for their usefulness in everyday conversation. We don't overwhelm you with too much, but steadily increase your ability with every lesson. Graduated Interval Recall Reminders of new words and structures come up at the exact interval for maximum retention and storage into your long-term memory. Organic Learning You work on multiple aspects of the language simultaneously. We integrate grammar, vocabulary, rhythm, melody, and intonation into every lesson, which allows you to experience the language as a living, expressive form of human culture. Learning in Context Research has shown that learning new words in context dramatically accelerates your ability to remember. Every scene in every Pimsleur lesson is set inside a conversation between two people. There are no drills, and no memorization necessary for success. Active Participation The Pimsleur Method + active learner participation = success. This method works with every language and every learner who follows it. You gain the power to recall and use what you know, and to add new words easily, exactly as you do in English. The Russian Language Russian, one of the six official languages of the United Nations, is the official language in Russia, Belarus, Kazakhstan and Krygystan, with an estimated 150 million native speakers around the world. Pimsleur's Russian uses speakers from Moscow and St. Petersburg, which accounts for slight pronunciation differences between speakers, but accurately depicts contemporary spoken Russian. Tech Talk - CDs are formatted for playing in all CD players, including car players, and users can copy files for use in iTunes or Windows Media Player.

Revised and updated with new phrases and vocabulary, new questions and answers, and new tables presenting basic English verbs, this favorite language-learning program is for Latinos in the United States and Canada who need to develop a practical, working use of spoken English, and who want to learn quickly and informally. Author William Harvey bypasses the dull rules of grammar and takes the practical route by presenting a series of informal conversations by speakers who converse in normal idiomatic American English. Emphasis is placed on correct pronunciation, and many helpful tips are offered, including short-cuts to clear spoken English expression and comprehension. Amusing cartoon-style illustrations help to convey understanding of English. The two cassettes supplement material in the book and present language learners with the sound of informal American English as it is spoken in everyday situations.
