Edith Wharton's satiric anatomy of American society in the first decade of the twentieth century appeared in 1913; it both appalled and fascinated its first reviewers, and established her as a major novelist. The Saturday Review wrote that she had 'assembled as many detestable people as it is possible to pack between the covers of a six-hundred page novel', but concluded that the book was 'brilliantly written', and 'should be read as a parable'. It follows the career of Undine Spragg, recently arrived in New York from the Midwest and determined to conquer high society. Glamorous, selfish, mercenary, and manipulative, her principal assets

are her striking beauty, her tenacity, and her father's money. With her sights set on an advantageous marriage, Undine pursues her schemes in a world of shifting values, where triumph is swiftly followed by disillusion. Wharton was re-creating an environment she knew intimately, and Undine's education for social success is chronicled in meticulous detail. The novel superbly captures the world of post-Civil War America, as ruthless in its social ambitions as in its business and politics.

Book is clean and tight. No writing in text. Like New

Spanning eight decades and chronicling the wild ride of a Greek-American family through the vicissitudes of the twentieth century, Jeffrey Eugenides' witty, exuberant novel on one level tells a traditional story about three generations of a fantastic, absurd, lovable immigrant family -- blessed and cursed with generous doses of tragedy and high comedy. But there's a provocative twist. Cal, the narrator -- also Callie -- is a hermaphrodite. And the explanation for this takes us spooling back in time, through a breathtaking review of the twentieth century, to 1922, when the Turks sacked Smyrna and Callie's grandparents fled for their lives. Back to a tiny village in Asia Minor where two lovers, and one rare genetic mutation, set our narrator's life in motion. Middlesex is a grand, utterly original fable of crossed bloodlines, the intricacies of gender, and the deep, untidy promptings of desire. It's a brilliant exploration of divided people, divided families, divided cities and nations -- the connected halves that make up ourselves and our world.

**NEW YORK TIMES BESTSELLER** • From the stars of the Netflix series *Get Organized with The Home Edit* (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. “A master class on how to

arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way. ” —Glamour (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it ’ s not hard to do—in fact, it ’ s a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea ’ s signature approach to decluttering. The Home Edit walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don ’ t need another do-over in six months. When you ’ re done, you ’ ll not only know exactly where to find things, but you ’ ll also love the way it looks. A masterclass and look book in one, The Home Edit is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there ’ s nothing like a little ROYGBIV to soothe the soul). Above all, it ’ s like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).

Meet Boilerplate, the world ’ s first robot soldier—not in a present-day military lab or a science-fiction movie, but in the past, during one of the most fascinating periods of U.S. history. Designed by Professor Archibald Campion in 1893 as a prototype, for the self-proclaimed purpose of “ preventing the deaths of men in the conflicts of nations, ” Boilerplate charged into combat alongside such notables as Teddy Roosevelt and Lawrence of Arabia. Campion and his robot also circled the planet with the U.S. Navy, trekked to the South Pole, made silent movies, and hobnobbed with the likes of Mark Twain and Nikola

Tesla. You say you 've never heard of Boilerplate before? That 's because this book is the fanciful creation of a husband-and-wife team who have richly imagined these characters and inserted them into accurate retellings of history. This full-color chronicle is profusely illustrated with graphics mimicking period style, including photos, paintings, posters, cartoons, maps, and even stereoscope cards. Part Jules Verne and part Zelig, it 's a great volume for a broad range of fans of science fiction, history, and robots.

Reproduction of the original: Pan Tadeusz by Adam Mickiewicz

The adventures of a little boy in the city on a very snowy day. On board pages.

Miami, Florida, is about to get even hotter! When four friends decide to help throw a quince for the new girl in town, Amigas Incorporated is born.

In a future where most people have computer implants in their heads to control their environment, a boy meets an unusual girl who is in serious trouble.

Rachel is finally getting it right. After years of wandering, she's married the perfect man and settled into the ideal life. But as her sleepy little town turns into a killing ground, she realizes that this new life might come at too high a price. Caleb Middleton says he's returned home to set things right. But as her husband's dangerous brother circles like a hungry wolf, poking holes in her perfect world, Rachel draws her young daughter in close. The rain and violence keep coming, and Rachel must decide whether to trust her dream life or her instincts...before the town of Silver Falls becomes her grave.
