Yamaha YZF-R1 1998-2003

During the decade prior to the advent of the World Superbike Championship in 1988, Honda's RVF four-stroke motorcycles dominated the World Endurance Championship and the World F1 Championship. Initially, however, Honda's V-4 powerplant was a total disaster. But with major financial reinvestment, the engine's fortunes turned and it went on to enjoy significant competition success. This is the story behind the development of Honda's four-stroke RVF and RS racers, as well as the VFR streetbike, which has remained a highly sought-after motorcycle for more than a decade. Author Julian Ryder follows Honda's four-stroke engine, from the early disappointments, to the competition successes of Joey Dunlop, to the introduction of the fuel-injected RC45, which is still the basis for today's Superbike races. Also included are detailed competition results and motorcycle specifications.

Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index.

If you love erotica-series like 50 Shades of Grey (E.L. James), Bared to you (Sylvia Day), Sinners on Tour (Olivia Cunning) or Fade into You (Kate Dawes) you'll love adult-romance Close Up and Personal... Actress and director. The stage is set for passion... Drama-school graduate Isabella Green wants to be a script-writer. But when she meets famous director James Berkeley, she's tempted into the glamorous world of acting. Behind the camera, the mysterious Berkeley commands discipline at all times. But Isabella soon discovers his dominant male tendencies also extend into the dressing room. Suddenly Isabella is discovering a side of herself she never knew existed. But she is also learning more about the alluring James Berkeley. Is his desperate past something she can help heal? Or will the flames of passion consume them both when the cameras start rolling? Lights, camera, action... "Close-Up and Personal takes books like Bared to You to another level. Get ready for a sizzling new romance with celebrity." Book Group eBooks LOOK INSIDE this book to see why readers are loving this actress and director adult romance.
