English 15th October Seminar paper: The Mall of America Everyone goes into a shopping mall with an intention at the back of their mind. Some people go there to see what other people are doing, some go there because they are idle and have nothing to do at home, some also go there to see the new products that they think they can buy when they get money at some point in life, the list of every person's desire when in a shopping mall is endless.

Participants' Reflections and Feedback on the Seminar

A reflective essay is a written piece of literature that focuses on presenting and narrating a person's experience and how it becomes an instrument towards a change of perception in life. It is a way for a writer to share an important event in his/her life and how it affected him/her so that others may learn something from it.

Reflective Essay Example #1: A Personal Account of Anorexia. Even though this essay isn't very long, it's a good example of the core component of the reflective essay: an explanation of how an event or experience affects the writer. The writer of this essay discusses a personal struggle with anorexia.
