Build essential skills in your classroom. Children and young people need to be proficient in the eight essential skills in order to thrive at every stage - from the classroom, to the lecture hall, to the boardroom. Students need to be equipped with the essential skills to succeed - to truly equip children for the future, we must start building these skills from Primary age.

Teachers - Skills Builder

The Skills Builder Universal Framework offers KPMG a structural solution to building essential skills and improving social mobility, with a focus on measurable impact. The company first integrated the framework into its WorkReady initiative, which focuses on young people in the most disadvantaged parts of the country.
