Shark vs Train by Chris Barton is not known for it's literary  
genius, but it is a humorous and colorful book that my 4 year old  
son absolutely loves. I will be honest and say that the side-  
conversations in the story (those written in idea bubbles) are a bit  
distracting in my opinion.

~~Shark vs. Train: Barton, Chris, Lichtenheld, Tom ...~~

"Shark vs. Train" by Chris Barton is a humorous picture book of a  
battle between a great white shark and a steam train. The book  
reveals that there is no obvious winner as a shark is successful in  
water and sports that involve water, but the train is successful in  
times when rides are given or when a loud sound or weight is tested.

~~Shark vs. Train by Chris Barton - Goodreads~~

Shark wins at high diving, not surprisingly, while Train comes out  
on top when it comes to burping. Other face-offs are less  
immediately obvious: Train stretches vertically to triumph at  
basketball, while Shark's sharp-toothed clown costume works best  
for trick-or-treating.

~~Shark vs. Train by Chris Barton, Tom Lichtenheld ...~~

Train can win a lemonade sale. But Shark can get the most  
Halloween candy. Both can do some things the other can't, and both  
can't do some things very well that the other can. But the fun is the  
challenge, and in imagining all the silly ways a shark and a train can  
compete with each other.

“When Barbara Jordan talked, we listened.” Former President of the United States, Bill Clinton Congresswoman Barbara Jordan had a big, bold, confident voice—and she knew how to use it! Learn all about her amazing career in this illuminating and inspiring picture book biography of the lawyer, educator, politician, and civil rights leader. Even as a child growing up in the Fifth Ward of Houston, Texas, Barbara Jordan stood out for her big, bold, booming, crisp, clear, confident voice. It was a voice that made people sit up, stand up, and take notice. So what do you do with a voice like that? Barbara took her voice to places few African American women had been in the 1960s: first law school, then the Texas state senate, then up to the United States congress. Throughout her career, she persevered through adversity to give voice to the voiceless and to fight for civil rights, equality, and justice. New York Times bestselling author Chris Barton and Caldecott Honoree Ekua Holmes deliver a remarkable picture book biography about a woman whose struggles and mission continue to inspire today.

Although Bunnybear was born a bear, he feels more like a bunny. He prefers bouncing in the thicket to tramping in the forest, and in his heart he's fluffy and tiny, like a rabbit, instead of burly and loud, like a bear. The other bears don't understand him, and neither do the bunnies. Will Bunnybear ever find a friend who likes him just the way he is?
