Sociology: A Global Introduction, with its international outlook and cultural diversity, represents a unique and complete learning resource for sociology students worldwide. Each chapter addresses a new change in society, and reveals how progress in society often comes at a price. This text has been fully updated to include the latest key debates, topics and data, and also highlights the importance of technology in contemporary social life.

This textbook provides a survey of sociology. As the scientific study of society, sociology is a social science which uses various methods of empirical investigation and critical analysis to develop a body of knowledge about human social activity. It focuses on the influence of our relationships around us and how they affect our behaviors and attitudes. The author approaches this subject with a desire to help students find and use sociology in everyday life.

Revised edition of the author's Society, 2015.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Seeing Sociology in your Everyday Life Macionis empowers students to understand the world around them through a sociological lens, so they can better understand sociology and their own lives. Sociology, 14th edition is written to help students find and use sociology in everyday life. With a complete theoretical framework and a global perspective, Sociology offers students an accessible and relevant introduction to sociology. The new edition continues to grow to meet readers' changing needs. With a newly integrated pedagogical framework, readers are guided through both the text - and optional new MySocLab - to build their critical thinking skills while learning the fundamentals of sociology. Teaching & Learning Experience The teaching and learning experience with this program helps to: Personalize Learning – The new MySocLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking – Six new learning objectives per chapter help readers build critical thinking and study skills. Engage Students – New design, everyday life and pop culture examples make sociology relevant for students today. Explore Theory - Three main theoretical perspectives are discussed in every chapter. Understand Diversity - Contemporary research informed by expert reviewers and cutting edge data sources reflect a broad range of race / class / gender. Support Instructors - Author written activities and assessment in MySocLab, the test bank and instructor's manual help provide support for instructors. Note: MySocLab does not come automatically packaged with this text.
