~~Sources of the Self - Wikipedia~~

Sources of the Self is a work of moral philosophy which reaches beyond practical considerations concerning right and wrong. Charles Taylor is here in search of a comprehensive understanding of what it means to be a human being, holding that only such an understanding as this can give moral philosophy the grounding it needs to operate persuasively and coherently.

He argues that, properly understood, our modern notion of the self provides a framework that more than compensates for the abandonment of substantive notions of rationality. The major insight of Sources of the Self is that modern subjectivity, in all its epistemological, aesthetic, and political ramifications, has its roots in ideas of human good. After first arguing that contemporary philosophers have ignored how self and good connect, the author defines the modern identity by describing ...

miliar to readers of communitarians like Michael Sandel. Sources of the Self is a revisionist history that refits the career of the modern "self" to the problems favored by communitarians: the failure of all efforts to subordinate the good to the right; the shallowness of pro cedural rather than substantive accounts of the self; the need for

~~Charles Taylor, 'Sources of the Self'~~

Charles Taylor's Sources of the Selfhas at least two objectives. On the one hand, it traces the historical sources of the modern understanding of selfhood. On the other hand, and perhaps more important, Sources of the Selfaims to contribute to the reconstructionof that same under- standing of selfhood. Specifically, it promotes the view that our descrip- tion of the self should be radically revised so as to take seriously the interdependent claims that values have objective reality and ...

Nearly 20 years earlier, Taylor wrote the book I am reviewing here, "Sources of the Self" (1989). This book is, if anything, more difficult to read than its successor. The book addresses the same complex of questions as does "The Secular Age", but from the other end. Rather than focusing on God and secularization, the book describes "the making ...
