Spinglish--the devious dialect of English used by professional spin doctors--is all around us. And the fact is, until you've mastered it, politicians and corporations (not to mention your colleagues and friends) will continue putting things over on you, and generally getting the better of you, every minute of every day--without your even knowing it.

of NPR's Best Books of 2017 A wise and entertaining guide to writing English the proper way by one of the greatest newspaper editors of our time. Harry Evans has edited everything from the urgent files of battlefield reporters to the complex thought processes of Henry Kissinger. He's even been knighted for his services to journalism. In DO I MAKE MYSELF CLEAR?, he brings his indispensable insight to us all in his definite guide to writing well. The right words are oxygen to our ideas, but the digital era, with all of its TTYL, LMK, and WTF, has been cutting off that oxygen flow. The compulsion to be precise has vanished from our culture, and in writing of every kind we see a trend towards

more--more speed and more
information but far less clarity.

Evans provides practical
examples of how editing and
rewriting can make for better
communication, even in the
digital age. DO I MAKE MYSELF
CLEAR? is an essential text, and
one that will provide every writer
an editor at his shoulder.

In today's information era, the
use of specific words and
language can serve as powerful
tools that incite violence—or
sanitize and conceal the ugliness
of war. This book examines the
complex, "twisted" language of
conflict. • Provides readers with
an in-depth awareness of how
language is often used to sanitize
and obfuscate understanding of

Read Online Spinglish The Definitive Dictionary Of

Reality, thereby offering insight into past and ongoing human conflicts from 1900 onward •

Elucidates important terms that in our current "information age" are being used loosely, often without clear definition • Promotes a critical analysis of how words are used, particularly as propaganda • Supports Common Core educational standards by enabling students to learn key critical thinking skills and learning strategies and apply them when reading and interpreting texts

The Presentation of Self in Contemporary Social Life covers the popular theories of Erving Goffman, and shows modern applications of dramaturgical analysis in a wide range of social

Contexts. David Shulman's innovative new text demonstrates how Goffman's ideas, first introduced in 1959, continue to inspire research into how we manage the impressions that others form about us. He synthesizes the work of contemporary scholars who use dramaturgical approaches from several disciplines, who recognize that many values, social norms, and laws have changed since Goffman's time, and that contemporary society offers significant new forms of impression management that we can engage in and experience. After a general introduction to dramaturgical sociology, readers will see many examples of how Goffman's ideas can provide

powerful insights into familiar aspects of contemporary life today, including business and the workplace, popular culture, the entertainment industry, and the digital world.

Explore the fabled past and vibrant present of New York's literary bar scene Want to know what it's like to pull up a stool with the likes of Hemingway, Updike, or Capote? Curious how Jay McInerney takes his martini, or where to find Colson Whitehead's favorite neighborhood bar? For well-read drinkers and boozy bookworms everywhere comes *Storied Bars of New York*, a photographic and historical celebration of the best literary pubs, cocktail bars, and

taverns of New York City. Every chapter profiles an influential bar and comes complete with photographs, a laundry list of the writerly clientele, a recipe for the establishment's signature cocktail (as well as which authors were likely to order it), and a snapshot of its place in New York culture at the time of its eminence, as demonstrated by quotes from authors and excerpts from magazine reviews. In a city where there is almost too much to explore, this guide will make finding your favorite erudite-cool drinking spot that much easier.

surprising ways you might die a horrible death at any moment from humor writers Henry Beard and Christopher Cerf.

A playful easy reader in the tradition of Dr. Seuss's Hop on Pop that teaches the basics of word construction. From award-winning humorist Christopher Cerf comes a super-simple, delightfully silly Beginner Book in which the rhymed text and the position of the words on the page teach the basics of word construction.

Written in the style of Dr. Seuss's classic Hop on Pop with rhyming words placed directly above each other to show their shared construction, A Skunk in My Bunk! combines phonics and word recognition to make learning to
