Wear facility laundered (not home laundered), clean attire in semi-restricted and restricted areas. Wear long sleeved, fully buttoned/snapped closed jackets or long-sleeved scrub shirts in the restricted area. This guidance applies to all personnel in the surgical environment, not only to perioperative nurses.

Standard Surgical Attire

Surgical Scrub -

DocShare.tips

The Association of Surgical Technologists recognized the need for CSTs and CSFAs to have a comprehensive publication focused on evidence-based Guidelines for Best Practices. The Guidelines were researched and developed, in order to aid in legislative efforts for state assemblies and to provide readily available answers to questions asked by operating room supervisors.

*Association of Surgical
Technologists*

Although there is some

Online Library Standard Surgical Attire And Surgical

Scrub
evidence that scrubs, masks, and head coverings reduce bacterial counts in the operating room, there is no evidence that these measures reduce the prevalence of surgical site infection. The use of gloves and impervious surgical gowns in the operating room reduces the prevalence of surgical site infection. Operating-room ventilation plays an unclear role in the prevention ...
