That's because receiving feedback sits at
the junction of two conflicting human
desires. We do want to learn and grow.

And we also want to be accepted just as

File Type PDF Thanks For The Feedback I Think

we are right now. Thanks for the Feedback is the first book to address this tension head on. It explains why getting feedback is so crucial yet so challenging, and offers a powerful framework to help us take on life's blizzard of off-hand comments, annual evaluations, and unsolicited advice with curiosity and grace.

Thanks for the feedback is about why it is such a challenge to receive feedback and what strategies can make feedback more useful and insightful for the receiver. It is about how to actually learn from feedback – even when it is off base, unfair, poorly delivered, and, frankly, you're not in the mood.
