Persuasion isn't an art form in the same sense as painting or music, but rather involves the finely tuned creative skills-or art-of language and communication. However, persuasion does include some of the qualities of more traditional art forms. It's intellectually challenging, complex, expressive, and completely authentic to your character.

~~The Necessary Art of Persuasion — Harvard Business Review~~

Persuasion or persuasion arts is an umbrella term of influence. Persuasion can attempt to influence a person's beliefs, attitudes, intentions, motivations, or behaviors. In business, persuasion is a process aimed at changing a person's attitude or behaviour toward some event, idea, object, or other person, by using written, spoken words or visual tools to convey information, feelings, or reasoning, or a combination thereof. Persuasion is also an often used tool in the pursuit of personal gain, s
