"The Cage" has many of the features of the eventual series, but there are numerous differences. The captain of the starship USS Enterprise is not James T. Kirk, but Christopher Pike. Spock is present, but not as first officer. That role is taken by a character known only as Number One, played by Majel Barrett.

acclaimed author of the Madman's Daughter trilogy. When Cora Mason wakes in a desert, she doesn't know where she is or who put her there. As she explores, she finds an impossible mix of environments—tundra next to desert, farm next to jungle, and a strangely empty town cobbled together from different cultures, all watched over by eerie black windows. And she isn't alone. Four other teenagers have also been taken: a beautiful model, a tattooed smuggler, a secretive genius, and an army brat who seems to know too much about Cora's past. None of them have a clue as to what happened, and all of them have secrets. As the unlikely group struggles for leadership, they slowly start to trust each other. But when their mysterious jailer appears—a handsome young guard called Cassian—they realize that their captivity is more terrifying than they could ever imagine: their captors aren't from Earth. And they have taken the five teenagers for an otherworldly zoo—where the exhibits are humans.

"The Cage is a tightly written and clear-eyed narrative about one of the most disturbing human dramas of recent years. . . . A riveting, cautionary tale about the consequences of unchecked political power in a country at war. thousands of civilians were killed, according to United Nations estimates, as government forces hemmed in the last remaining Tamil Tiger rebels on a tiny sand spit, dubbed "The Cage." Gordon Weiss, a journalist and UN spokesperson in Sri Lanka during the final years of the war, pulls back the curtain of government misinformation to tell the full story for the first time. Tracing the role of foreign influence as it converged with a history of radical Buddhism and ethnic conflict, *The Cage* is a harrowing portrait of an island paradise torn apart by war and the root causes and catastrophic consequences of a revolutionary uprising caught in the crossfire of international power jockeying. Gordon Weiss has lived in New York and worked in numerous conflict and natural disaster zones including the Congo, Uganda, Darfur, Bosnia, Afghanistan, Syria, and Haiti. Employed by the United Nations for over two decades, he continues to consult on war, extremism, peace building, and human rights.

Kazuya Takino leads a quiet life running a supermarket in the Tokyo suburbs. But when an extortionist tries to force him out of business, he finds himself drawn into the yakuza underworld—a world he once called home and thought he had left behind. Pursuing him is Detective Takagi, an aficionado of French cigarettes and modernist poetry, the most decorated inspector on the Tokyo police force. As the shadowy Maruwa gang engages

Takino in an escalating cycle of violence and retaliation, Detective Takagi can only stand by and watch as the beast within Takino is lured further and further out of his cage. A towering masterpiece of the hardboiled genre, *The Cage* is at once a searing portrayal of the violence of the Japanese underworld and a tender mediation of the ties of love and friend that can save men from madness—or plunge them deeper into it.

Tom 'Bud' Abraham was one of the very few Englishmen to serve in Vietnam. As an officer in the 1st Cavalry Division during 1967/8, he saw combat in some of the fiercest encounters of the war. His gallantry earned him a chestful of medals, including the Silver Star, one of the highest decorations awarded by the American Army. During the Tet Offensive, Tom was captured by the Vietcong. The suffering he endured during his interrogation and torture tested him to the limits, and yet his daring escape into the surrounding jungle was the beginning of a new ordeal. His struggle to survive, naked and alone, would drag him down to the level of a primitive beast. After he returned to England from Vietnam, Tom made a new life. He married, became a father, and started a successful career in business. It seemed that he had forgotten the nightmare of the past. But more than thirty years later, a trivial encounter with the police began a catastrophic chain of events. He lost

everything - his family, his home, his self-respect. It became all too obvious that the psychological and emotional wounds he received in Vietnam were still festering. In trying to rebuild his life, Tom had once more to confront those traumatic memories that he had buried so deep. If he were to have any chance of a future, he would have to relive the past. His terrifying yet inspiring journey is the story of this book.

Most people spend their lives trying to escape some kind of cage. Rollie Peterkin left behind conventional success and stepped into one. When his college wrestling career ended in heartbreak, Rollie fell short of his dream of standing on the national podium. After graduating with an Ivy League degree, he tried to take solace in the lucrative Wall Street job offer that awaited him. He vigorously launched himself into his new career as a bond trader and grew accustomed to fancy dinners, expense accounts, late nights, and early mornings. Rollie was achieving all of his goals, but began to feel like something was missing. During a trip to Peru, a chance encounter with a legendary cage fighter would inspire him to question the well-worn path to success he had always known. Soon after, Rollie plotted his escape and ultimately left behind the life of luxury to pursue a savage dream. Along the way he faced life changing obstacles that he never could have foreseen in his wildest dreams.

The Maze Runner meets Scott Westerfeld in the second novel in this gripping and romantic YA series about teens abducted from Earth by an otherworldly race—from Megan Shepherd, the acclaimed author of the *Madman's Daughter* series. They've left the cage—but they're not free yet. After their failed escape attempt, Cora, Lucky, and Mali have been demoted to the lowest level of human captives and placed in a safari-themed environment called the Hunt, along with wild animals and other human outcasts. They must serve new Kindred masters—Cora as a lounge singer, Lucky as an animal wrangler, and Mali as a safari guide—and follow new rules or face dangerous consequences. Meanwhile, Nok and Rolf have been moved into an enormous dollhouse, observed around the clock by Kindred scientists interested in Nok's pregnancy. And Leon, the only one who successfully escaped,

has teamed up with villainous Mosca black-market traders. The former inhabitants of the Cage are threatened on all fronts—and maybe worst of all, one of the Hunt's Kindred safari guests begins to play a twisted game of cat and mouse with Cora. Separated and constantly under watch, she and the others must struggle to stay alive, never mind find a way back to each other. When Cassian secretly offers to train Cora to develop her psychic abilities—to prove the worthiness of humanity in a series of tests called the Gauntlet—she'll have to decide fast if she dares to trust the Kindred who betrayed her, or if she can forge her own way to freedom.
