A huge bestseller in England, France, and Australia, the fourth book in the Ari Thor thriller series from a spectacular new crime writer. Hailed for combining the darkness of Nordic Noir with classic mystery writing, author Ragnar Jonasson's books are haunting, atmospheric, and complex. Rupture, the latest Ari Thór thriller, delivers another dark mystery that is chillingly stunning with its complexity and fluidity. Young policeman Ari Thór tries to solve a 50-year-old murder when new evidence surfaces. But the case proves difficult in a town where no one wants to know the truth, where secrets are a way of life. He's assisted by Isrún, a news reporter in Reykjavik who is investigating an increasingly chilling case of her own. Things take a sinister turn when a child goes missing in broad daylight. With a stalker on the loose, and the town in quarantine, the past might just come back to haunt them.

Chilling and complex, Nightblind is an extraordinary thriller from Ragnar Jonasson, an undeniable new talent. Ari Thor Arason is a local policeman who has an uneasy relationship with the villagers in an idyllically quiet fishing village in Northern Iceland—where no one locks their doors. The peace of this close-knit community is shattered by a murder. One of Ari’s colleagues is gunned down at point-blank range in the dead of night in a deserted house. With a killer on the loose and the dark Arctic waters closing in, it falls to Ari Thor to piece together a puzzle that involves a new mayor and a psychiatric ward in Reykjavik. It becomes all too clear that tragic events from the past are weaving a sinister spell that may threaten them all.
