The new edition of The Oxford Guide to Literary Britain & Ireland is an indispensable travel companion, both for explorers and armchair travellers alike. Nearly 2,000 places - villages, towns, cities, and landscapes - are referred to, inviting readers to explore connections with their favourite writers, from where they were born and lived, to where they worked and found inspiration for their writing.

This immensely detailed and eclectic second edition of The Oxford Guide to Style is a descendant of Hart's Rules for Compositors and Readers, first published in 1893. Inevitably the strict tone now nods a little more than it used to towards description of a changing language and has shifted slightly away from the unadulterated prescription of rights and wrongs.
