The ideological origins of chattel slavery in the British ...

Post-Traumatic Slave Syndrome is a Racist Idea. For a generation of open-minded Americans, the original Roots miniseries in 1977 uprooted fields of racist ideas of backward Africa, of civilizing slavery, and of African American roots in slavery. The timeworn plantation genre of happy mammies and Sambos was gone with the wind.

The Trauma Of Chattel Slavery A Womanist Perspective

Chattel slavery still exists in the world in countries such as Mauritania and Sudan, countries on the continent of Africa. The African slave trade began in the 1200s. Mauritania citizens were kidnapped to be used for slaves. Women and children were targeted in particular to raise new people to be sold into slavery.

What Is Chattel Slavery? – Reference.com

An externally critiqued model treatment program was synthesized from theoretical and research literature to better address trauma associated with the intergenerational trauma of slavery—not as an institution or an experience, but as a collective memory grounded in the identity formation of a people, particularly Black Africans in the United States. Current U.S. programs either do not acknowledge slavery or the intergenerational transmission of trauma as goals for treatment; rather ...
