

Vietnamese. * How you can easily create a "letter location" memory system based on the Vietnamese alphabet. * How to quickly and easily learn and memorize the sounds of the Vietnamese alphabet * Unique techniques that will have you literally "tuning in" on the Vietnamese language. * How to separate Vietnamese words in the most effective manner for memorization. * Two secret ways you can use relaxation to aid the memorization process. These two methods alone are worth the price of this book because they will literally eliminate your stress and apprehension as you learn Vietnamese. * And much, much more ... These techniques have been used by real language learners, most of whom previously considered themselves owners of a "bad memory," to make real strides in learning Vietnamese vocabulary. Don't worry! None of these techniques involve brain surgery! Frankly, if you can memorize a short email address or the name of a movie, then you can use this system to memorize a language as rich and diverse as Vietnamese. Plus, everything you'll learn in this book applies to every other language that shares the same alphabet with English. And with a little imagination, the ideas are easily transferable to other alphabet systems too. But there's really no time to lose. Every day that you are not using this simple vocabulary memorization system, you are literally stealing from yourself the joy of being able to read, speak and recall an abundance of Vietnamese vocabulary as you easily expand the natural abilities of your mind.
