### Wedding Information Form

The Lifetimes Department of the Record-Courier has established certain guidelines concerning the announcements for engagements and weddings.

Wedding forms may be picked up in either the Kent or Ravenna R-C office and are available on-line at [www.recordpub.com](http://www.recordpub.com).

The R-C will accept wedding photos and information up to 12 weeks after the date of the wedding. Information should be typed or neatly handwritten.

For members of wedding party, include city and state and relationship to bride or groom, if any.

It is not necessary to submit a professional photograph for publication.

Information submitted later than 12 weeks from the wedding date will also be printed but with an abbreviated description and a smaller photo.

No information will be accepted more than five months from the wedding date. Information and photos (in jpg. format) may be e-mailed to [lifetimes@recordpub.com](mailto:lifetimes@recordpub.com).
